DEATH CAR — Joseph Ray Allman Jr., 22, of Columbus, was killed early Sunday morning when his auto went out of control, hit a guard rail, skipped over the railing of the Scippo Creek bridge on the Kingston Pike and plunged to the creek bed. He was the 10th traffic victim of the year in the county. (Photo by Beaver)

South Viet Nam Coups Collapses; Khanh Still Boss

SAIGON, South Viet Nam (AP) — An attempt to overthrow Premier Nguyen Khanh's government collapsed today less than 24 hours after 2,000 rebel troops marched into Saigon and ordered Khanh's arrest as a traitor. Not a shot was fired.

The air force commander, Brig. Gen. Nguyen Cao Ky, who remained loyal to Khanh during the abortive uprising, told a news conference the government of South Viet Nam was "exactly as before the coup." He said the rebel leaders would not be arrested and that unity

had been restored.

In Washington, U.S. officials expressed relief that Khanh remained in power but could not say whether the events would bolster or further weaken his shaky hold in the embattled country.

The attempted coup, engineered by a group of dissident generals, was not unexpected. Rumors that Khanh faced a revolt swept the city Saturday.

It came while Gen. Maxwell D. Taylor, the U.S. ambassador, was out of the country. He returned to the capital early today after four days of talks in Washington during which U.S. officials said they concluded South Viet Nam needs greater political stability to strengthen its war against the Communist Viet Cong.

Throughout the coup attempt, Saigon residents reacted with sullen indifference. Motorists blew their horns angrily at tanks interfering with traffic. Shoppers paid little attention to announcements broadcast from planes with loudspeakers. Even swooping fighter-bombers failed to arouse much interest.

Had the coup succeeded, it would have been the third in less than a year. President Ngo Dinh Diem was overthrown last Nov. 1, and Khanh took power Jan. 30 from Gen. Duong Van Minh, leader of the anti-Diem uprising. Khanh was nearly driven from office in August and early September by three weeks of violent Buddhist and student-led demonstrations against the government.

The new attempt to seize

Ecumenical Council Opens

Papal Authority
To Be Defined

VATICAN CITY (AP)—Pope Paul VI opened the third and possibly decisive session of the Vatican Ecumenical Council today and called on the bishops of the Roman Catholic Church to clarify their place in church government with regard to him.

The pontiff called this task of defining papal-bishop authority — an issue with overtones for Christian unity — the "weightiest and most delicate" task of the council.

He said it would complete the concept of papal primary authority at the last ecumenical council. He made clear that sharing of authority with the bishops did not mean a lessening of papal power.

The council starts its daily working sessions Tuesday.

It still has 13 schemata to deal with. The greatest controversy is expected to focus on three or four of them.

The first of these, De Ecclesia, or on the nature of the Church, comes up Tuesday.

Vatican sources reported that the second topic to go before the session, on pastoral duties of bishops, contains a specific proposal for a council or senate of selected bishops to help the Pope.

Also due to come up for a vote is the schema on ecumenism, or Christian unity, with its two appendices — a declaration on the Jews and one on religious liberty.

The schema dealing with the Church's relationship with the modern world reportedly will be introduced toward the end of this session. This topic includes such problems as birth control, race relation, communism and nuclear weapons.

Council sources report there may be no vote on this schema this session, lending support to the belief that the work of the council will require till another session.

Record Low Mercury
Readings Chalked Up
By THE ASSOCIATED PRESS

Record and near-record low temperatures were reported over Ohio during the weekend.

New record low readings were established Sunday morning at Columbus, Akron, Dayton and Cleveland, while Pandora reported a record 32 degrees.

This morning a low of 39 at Columbus was only one degree above the record for this date. Across the state temperatures were as low as 34 at Toledo and Zanesville.

22-Year-Old Columbus Man Killed

Joseph Ray Allman
Is 10th Traffic
Victim in County

A 22-year-old Columbus resident became Pickaway County's 10th traffic victim of the year Sunday morning.

Joseph Ray Allman Jr., of Columbus, was pronounced dead on arrival at Berger Hospital. The one-car accident occurred on the Kingston Pike at Scippo Creek.

A passenger in the car, Donald Waldrup, 17, of Columbus was taken to Berger Hospital where he was treated for a laceration of the head and other injuries. He was returned to

his home in Columbus Sunday morning by the Pickaway County Sheriff's Department.

Pickaway County Deputy Sheriff Gene Kerns reconstructed this account of the accident.

ALLMAN was driving the vehicle towards Kingston at an apparent high rate of speed. The auto hit the guard rail, ricocheted up and over the bridge railing and fell into the creek — a drop of approximately 30 feet.

Allman was thrown clear of the auto.

Waldrup, who told Kerns he was asleep when the accident occurred, was apparently knocked unconscious by the force of the impact.

When he regained consciousness, nearly one hour later, he crawled from the auto and walked one-half mile to the home of Jim Arnold to get aid.

Although the accident apparently occurred at 4 a. m., it was nearly 5 a. m. before the sheriff's department was notified.

The dead man, who was not married, had only recently been discharged from the armed services.

THE VEHICLE, a 1958 model car, was demolished.

Hoyt Timmons, a nearby resident, heard the crash at 4 a. m. He looked toward the bridge, but was unable to see the wreck because the auto was in the creek bed.

While he was looking to see what had caused the noise, he saw two cars, one heading north and the other south, approach the bridge and continue on their way without stopping.

He told investigating officers, that after seeing the cars pass the bridge, he thought he had imagined the noise.

10 Children Die in Fire

Youngsters Trapped
In Farm Dwelling

KASOTA, Minn. (AP) — Ten children, "so scared they ran around in circles and didn't know what to do," died in a fire that swept through their farm home.

Another child, Joanne McConnell, 14, was the only occupant to escape the burning home Saturday night. She jumped from a second-story window and, barefoot and wearing only a nightgown, pedaled a mile on her bicycle to the nearest telephone.

Joanne and nine of the victims were children and stepchildren of Mr. and Mrs. Kenneth Bowdish. The other child killed was an orphan boy who lived with the family.

Bowdish is an unemployed auto mechanic.

Mrs. and Mrs. Bowdish were not home when the fire broke out. They had driven to Minneapolis to pick up some appliances which friends had given them.

The victims were Daniel Bowdish, 3; Loretta Bowdish, 4; Lucretia Bowdish, 5; Kenneth Bowdish, 6; Linda McConnell, 9; Marvin McConnell, 10; Richard McConnell, 11; Mary McConnell, 13; Robert McConnell, 16, and Roger Brown, 15. The McConnell youngsters were Mrs. Bowdish's children by a previous marriage.

"It's no one's fault," the weeping mother told Joanne. "Just be thankful you got out. It was meant to happen, or it wouldn't have happened."

Joanne said all the children except Robert were in bed when the blaze broke out.

Robert was in the basement, lighting the wood-fired furnace. "I heard a crack like a jar breaking or something Joanne said. 'I got up to find out what it was. Robert said there was a fire and to get the kids out. I tried to wake them up.'"

The children all were upstairs, the girls in one room and the boys in another.

Demos Warned
Not To Be
Complacent

SPRINGFIELD, Mo. (AP) — Sen. Hubert H. Humphrey steered his Johnson-Humphrey campaign back into the Midwest today, warning Democrats not to be so sure of victory they forget Harry S. Truman's upset triumph in 1948.

Pressing his barnstorming attack on Sen. Barry Goldwater, Humphrey declared: "It is a depressing thought, but the temporary spokesman for the Republican party could be — despite himself — the president of the United States."

"But only if we let him," the Democratic vice-presidential nominee added in remarks prepared for a downtown street rally.

Democrats have been buoyed by polls forecasting a November victory. But, Humphrey recalled, "Truman went to bed on election night — by verdict of every public opinion poll and certain well-known commentators — a rejected and defeated man."

Democrats, he said, should take Truman's 1948 victory as a "solemn warning never to let ourselves fall victim to complacency."

Right-Wing Book
Distribution Hit

CLEVELAND (AP)—The sale or distribution by the American Legion of the right-wing book, "None Dare Call It Treason," is opposed by Cuyahoga County legionnaires.

The action was taken in a unanimous vote Sunday by delegates attending the Legion's 13th District Conference, which encompasses Cuyahoga County.

"The sale of this book does not come within the scope of Legion activities," said Thomas C. Westropp, district vice commander. "We are not in the book business."

He explained that the Legion was not taking a stand on merits of the book.

Nixon To Aid Barry

NEW YORK (AP) — About Oct. 1, former Vice President Richard Nixon will start a five-week campaign tour in behalf of Barry Goldwater, Republican presidential nominee.

Taft Claims Tax Cut Harmful to Economy

Assassination Data Readied

Warren Group
Ending Work

WASHINGTON (AP) — Chief Justice Earl Warren says it is "a matter of days" before his investigating commission completes and submits to President Johnson its 700-page report on the assassination of President John F. Kennedy.

Other sources estimated the White House may issue the findings over the weekend of Sept. 27. Other estimates were that final editing, printing and binding could take a little longer.

Warren told newsmen Saturday that the seven-member commission has been working night and day to finish the report.

"I hope it will be very soon," Warren said. "We're just driving to get it all done. Our job is completed when we report to the President."

The chief justice emphasized that public distribution of the report is up to the White House.

Much of the delay in completing the report — the original target date was June 30 — stems from painstaking efforts by commission members to make sure each report on Kennedy's death last Nov. 22 in Dallas is fully documented.

Commission sources said that although the report will contain "some surprises," in main it will say:

—Lee Harvey Oswald, an unstable Marxist acting without helpers or coconspirators, shot Kennedy to death.

—Jack Ruby, convicted murderer of Oswald, acted in outraged grief as what he conceived to be an agent of retribution when he killed Oswald in the Dallas police station two days after Kennedy's death.

Warren said the commission's primary task now is editing proofs from the Government Printing Office, including the checking of "thousands of footnotes, references to the appendices."

But another commission member reported: "we're still writing."

Lady Bird Plans
Tour of South

WASHINGTON (AP) — Mrs. Lyndon B. Johnson plans a four-day train trip through eight Southern states in the first whistle-stop campaign by any First Lady on her own.

She will make the 1,682-mile trip Oct. 6-9 aboard a train to be called the "Lady Bird," traveling from Washington to New Orleans with stops in Virginia, North Carolina, South Carolina, Georgia, Florida, Alabama, Mississippi and Louisiana.

The Democratic National Committee will pay for the trip, similar to one Mrs. Johnson took with her husband when he ran for vice president in 1960.

Daughters Lynda Bird, 20, and Luci Baines, 17, will accompany their mother on part of the trip. School classes will prevent them from going the whole way.

Women Voters Said
To Prefer Johnson

NEW YORK (AP)—News-week magazine says a poll taken for it by Louis Harris showed women voters favor President Johnson's election over the Republican candidate, Sen. Barry M. Goldwater, 64 per cent to 36 per cent.

The Harris presidential poll of men gave Johnson a 60-40 per cent advantage over Goldwater.

Once
Around
Roundtown

THE PICKAWAY County Red Cross today issued an appeal for household goods and clothing for the Elmer Jenkins family whose home and belongings were destroyed by fire Friday.

Mrs. Etha Mae Wolford, executive secretary of the Red Cross, said persons with anything the family might use could call the local Red Cross office. The number is GR 4-5736.

There are four girls in the Jenkins family. Two wear size 14 and two size eight, Mrs. Wolford said. Of the two sons, one wears size ten and the other size 14.

The mother wears a size 16 dress, while the father wears 36 trousers and a 15 shirt.

U.S. GI Helps Refugee Escape

BERLIN (AP) — A German immigrant now in the U.S. Army braved East German bullets Sunday to help a wounded refugee escape over the Berlin wall.

Spec. 4 Hans Puhl, 22, was the hero of a 40-minute battle at dawn during which West Berlin police and East German Communist guards fired dozens of shots at each other. No one was killed, but it was the longest fight since the wall was put up three years ago.

Lying in the middle of the fray, on the Communist side of the wall, was Michael Meyer, 21, from the East German town of Fredersdorf. Communist bullets brought him down as he tried to scramble over the wall to West Berlin.

Communist guards then tried to drag him away, but Puhl —

covered by Western police — marched to the wall and ordered the East Germans back.

At a news conference, Puhl said he was riding along the Western side of the wall — in the Kreuzberg District — on a routine patrol with a West Berlin policeman and arrived at the scene just after Meyer had been shot.

The American dashed to the second story of a nearby apartment house for a view of the other side of the wall.

He spotted the young man on the ground.

"Two East German guards were pulling on him," he said. "I pointed my rifle at them and told them to let him go."

"When they did not let him go, I threw a tear gas grenade across the wall in the hope that

Medicare, Apportioning Bills Face Congress Again

WASHINGTON (AP) — Congress tackles Social Security health care and legislative reapportionment this week as members up for re-election fidget to get on the campaign trail.

Neither issue is likely to be disposed of finally during the week and Congress' adjournment date still is up in the air.

The issue of health care for the aged is the only major legislative business before the House this week.

After preliminary parliamentary moves today, members are expected to vote Thursday whether to arrange a conference with the Senate, which added the hospitalization feature to a Social Security bill passed by the House.

There may also be a more substantive vote — on instructions to the conferees whether to accept or reject the hospitalization feature — but no final decision yet had been made.

The Senate votes Tuesday on a compromise designed to cool the hot dispute over the Supreme Court's ruling that states must apportion both houses of their legislature by population.

The proposal would simply declare "the sense of Congress" to be that legislatures should be given a reasonable time to conform. It would replace a tougher proposal to require federal courts to grant delays up to two years.

President Johnson has asked his running mate, assistant Democratic Senate Leader

Hubert H. Humphrey, to make every effort to work out a compromise on the "sense of Congress" resolution.

Senate Republican Leader Everett M. Dirksen has said that if the substitute fails, an even tougher proposal, passed by the House, will be offered — but not by him.

The House-approved measure would limit courts' jurisdiction in reapportionment cases.

Boycott Cuts
School Rolls
In Gotham

NEW YORK (AP) — A white boycott cut attendance sharply today at public schools involved in two new integration programs. It also kept pupils away from many other classrooms in sympathetic protest.

Police reported that 1,975 persons, mostly white parents, picketed 150 schools in chilly, blustery weather and intermittent rain.

The Board of Education said the eight elementary schools that were paired to racially balance enrollments by busing children from one to another reported almost 40 per cent absenteeism. The board also said 38 per cent of the pupils were absent from the seven junior high schools where assignments were changed to improve integration.

One virtually all white elementary school in Brooklyn not involved in the busing had completely empty classrooms, apparently in sympathetic protest to the integration program.

But many other parents sent their children to school — some under protest, others with a willingness to give the program a try.

Autoists Told
To Stay Off
Interstate 71

COLUMBUS, Ohio (AP) — Highway expeditor James W. Shocknessy, shooting for a Nov. 20 opening of the 77-mile segment of Interstate 71 from Columbus to Cincinnati, warned motorists today to stay off the completed portions of the superhighway because they are unsafe.

The chairman of the governor's I-71 task force said any portions of the highway would be opened to the public.

He told the bi-monthly meeting of the I-71 committee that no parts of the highway are being kept closed until Nov. 20 so the state can open them then with a "dramatic gesture."

Shocknessy said Highway Director P. E. Masheer has told him that it is doubtful, however, if any portions can be safely opened before then.

Shocknessy said, unauthorized drivers are risking injury because some of the highway has no shoulders and there are three-foot gaps between sections of the paving.

Cooks Only Startled
By Hotel Meat Thief

DENVER (AP) — The cooks were startled but nobody did anything as a thief carrying a big cardboard box walked into the Hilton Hotel kitchen Sunday.

After loading up two 9-pound hams, 14 club steaks and 17 New York-cut steaks, he left.

COMMUNITY FUND MASCOT — This Lil Angel, mascot of the Community Fund Drive, will appear daily in The Herald counting the number of days until the end of the '64 campaign. The cartoon, in addition to numbering the days, will note the various agencies that participate in the Community Fund.

Fair

Ohoian Says Both
To Bring Inflation

CLEVELAND (AP) — A Democratic-sponsored tax cut, plus the recent settlement in the auto industry are two factors which are leading the country toward inflation, Ohio Congressman-at-large Robert Taft Jr. said today.

Taft, Republican senatorial nominee, said the tax cut "has falsely accelerated consumer demand so that management, predicting inflation and price increases, is folding under union pressure."

"Prices will go up. Wages will go up. No one will be better off. Americans living on fixed incomes, such as those receiving pension or Social Security benefits, will be particularly hurt."

Speaking at a news conference, Taft said settlements such as the one reached between Chrysler and the United Auto Workers, "may very well prove to be the ill wind that blows away the cloud of optimism which has enveloped us."

Taft said he voted against the tax cut bill because "it did not call for a matching reduction in federal expenses." A tax cut coming while "we are running \$8 billion in the red places our economy in a precarious position," he said.

Speaking of the auto settlement, Taft said, "The Democrats urged unions not to make demands in excess of the 3.2 per cent increase in productivity."

"Immediately, the AFL-CIO announced it would ignore this appeal. The United Auto Workers set their demands at 4.9 per cent, and the increase they won last week has been computed by economists at only a shade below that level."

Taft said the danger of "the administration's ill-timed and ill-conceived tax cut," could "trigger widespread price increases and speed the pace of creeping inflation to a gallop."

The Ohoian had no comment on a proposal by Sen. Barry Goldwater, the Republican presidential nominee, to cut taxes by about 25 per cent. Taft has taken a strong stand supporting the Goldwater candidacy.

Autoists Told To Stay Off Interstate 71

COLUMBUS, Ohio (AP) — Highway expediter James W. Shocksness, shooting for a Nov. 20 opening of the 77-mile segment of Interstate 71 from Columbus to Cincinnati, warned motorists today to stay off the completed portions of the superhighway because they are unsafe.

The chairman of the governor's I-71 task force said any portions safe for travel would be opened to the public.

He told the bi-monthly meeting of the I-71 committee that no parts of the highway are being kept closed until Nov. 20 so the state can open them then with a "dramatic gesture."

Shocksness said Highway Director P. E. Masheer has told him that it is doubtful, however, if any portions can be safely opened before then.

Shocksness said, unauthorized drivers are risking injury because some of the highway has no shoulders and there are three-foot gaps between sections of the paving.

Cooks Only Startled By Hotel Meat Thief

DENVER (AP) — The cooks were startled but nobody did anything as a thief carrying a big cardboard box walked into the Hilton Hotel kitchen Sunday.

After loading up two 9-pound hams, 14 club steaks and 17 New York-cut steaks, he left.

South Viet Nam Coups Collapses; Khanh Still Boss

SAIGON, South Viet Nam (AP) — An attempt to overthrow Premier Nguyen Khanh's government collapsed today less than 24 hours after 2,000 rebel troops marched into Saigon and ordered Khanh's arrest as a traitor. Not a shot was fired.

The air force commander, Brig. Gen. Nguyen Cao Ky, who remained loyal to Khanh during the abortive uprising, told a news conference the government of South Viet Nam was "exactly as before the coup." He said the rebel leaders would not be arrested and that unity

had been restored. In Washington, U.S. officials expressed relief that Khanh remained in power but could not say whether the events would bolster or further weaken his shaky hold in the embattled country.

The attempted coup, engineered by a group of dissident generals, was not unexpected. Rumors that Khanh faced a revolt swept the city Saturday.

It came while Gen. Maxwell D. Taylor, the U.S. ambassador, was out of the country. He returned to the capital early today after four days of talks in Washington during which U.S. officials said they concluded South Viet Nam needs greater political stability to strengthen its war against the Communist Viet Cong.

Throughout the coup attempt, Saigon residents reacted with sullen indifference. Motorists blew their horns angrily at tanks interfering with traffic. Shoppers paid little attention to announcements broadcast from planes with loudspeakers. Even swooping fighter-bombers failed to arouse much interest.

Had the coup succeeded, it would have been the third in less than a year. President Ngo Dinh Diem was overthrown last Nov. 1, and Khanh took power Jan. 30 from Gen. Duong Van Minh, leader of the anti-Diem uprising. Khanh was nearly driven from office in August and early September by three weeks of violent Buddhist and student-led demonstrations against the government.

The new attempt to seize

Garbage Man Returns to Find Treasure

BLETCHLEY, England (AP) — Dick Griffiths dumps garbage on the municipal rubbish heap during the day and at night goes back there to dig for archaeological treasure.

Dick is a dustman — British for garbage collector — for the Bletchley Urban Council. He's also a keen amateur archaeologist.

He has made several discoveries in the garbage dump, which has the poetic name of Saffron Gardens.

A display case in the town library is filled with Griffiths' findings — pottery dating back 2,000 years, an ancient skeleton and the like.

Actually, Saffron Gardens only recently became a rubbish dump. The others got filled up. In daytime hours Dick collects his garbage and like dustmen empties his gatherings on Saffron Gardens — knowing full well that in the evening he must go back there for his diggings.

"The council has now almost totally destroyed the site," said Dick ruefully, "but I shall fight to the end. The rubbish is driving me back further and further and at times it seems hopeless. But what can I do? I have a wife and three children and I have to do my job."

A municipal spokesman said the city was forced to use Saffron Gardens as a rubbish dump as there was nowhere else at the moment.

22-Year-Old Columbus Man Killed

Joseph Ray Allman
Is 10th Traffic
Victim in County

A 22-year-old Columbus resident became Pickaway County's 10th traffic victim of the year Sunday morning.

Joseph Ray Allman Jr., of Columbus, was pronounced dead on arrival at Berger Hospital. The one-car accident occurred on the Kingston Pike at Sippico Creek.

A passenger in the car, Donald Waldrop, 17, of Columbus was taken to Berger Hospital where he was treated for a laceration of the head and other injuries. He was returned to

his home in Columbus Sunday morning by the Pickaway County Sheriff's Department.

Pickaway County Deputy Sheriff Gene Kerns reconstructed this account of the accident.

ALLMAN was driving the vehicle towards Kingston at an apparent high rate of speed. The auto hit the guard rail, ricocheted up and over the bridge railing and fell into the creek — a drop of approximately 30 feet.

Allman was thrown clear of the auto. Waldrop, who told Kerns he was asleep when the accident occurred, was apparently knocked unconscious by the force of the impact.

When he regained consciousness, nearly one hour later, he crawled from the auto and walked one-half mile to the home of Jim Arnold to get aid.

Although the accident apparently occurred at 4 a. m., it was nearly 5 a. m. before the sheriff's department was notified.

The dead man, who was not married, had only recently been discharged from the armed services.

THE VEHICLE, a 1958 model car, was demolished.

Hoyt Timmons, a nearby resident, heard the crash at 4 a. m. He looked toward the bridge, but was unable to see the wreck because the auto was in the creek bed.

While he was looking to see what had caused the noise, he saw two cars, one heading north and the other south, approach the bridge and continue on their way without stopping.

He told investigating officers, that after seeing the cars pass the bridge, he thought he had imagined the noise.

Record Low Mercury Readings Chalked Up

By THE ASSOCIATED PRESS

Record and near-record low temperatures were reported over Ohio during the weekend. New record low readings were established Sunday morning at Columbus, Akron, Dayton and Cleveland, while Pandora reported a record 32 degrees.

This morning a low of 39 at Columbus was only one degree above the record for this date. Across the state temperatures were as low as 34 at Toledo and Zanesville.

Ecumenical Council Opens

Papal Authority
To Be Defined

VATICAN CITY (AP) — Pope Paul VI opened the third and possibly decisive session of the Vatican Ecumenical Council today and called on the bishops of the Roman Catholic Church to clarify their place in church government with regard to him.

The pontiff called this task of defining papal-bishop authority — an issue with overtones for Christian unity — the "weightiest and most delicate" task of the council.

He said it would complete the concept of papal primary authority at the last ecumenical council. He made clear that sharing of authority with the bishops did not mean a lessening of papal power.

The council starts its daily working sessions Tuesday.

It still has 13 schemata to deal with. The greatest controversy is expected to focus on three or four of them.

The first of these, De Ecclesia, or on the nature of the Church, comes up Tuesday. Vatican sources reported that the second topic to go before the session, on pastoral duties of bishops, contains a specific proposal for a council or senate of selected bishops to help the Pope.

Also due to come up for a vote is the schema on ecumenism, or Christian unity, with its two appendices — a declaration on the Jews and one on religious liberty.

The schema dealing with the Church's relationship with the modern world reportedly will be introduced toward the end of this session. This topic includes such problems as birth control, race relation, communism and nuclear weapons.

Council sources report there may be no vote on this schema this session, lending support to the belief that the work of the council will require till another session.

Stock Mart Still Climbs

NEW YORK (AP) — Strength in steel helped the stock market move toward its ninth straight daily advance early this afternoon in fairly active trading.

Gains of most key stocks were mainly fractional, but the number of losses was increasing as traders took profits on recent gain.

Growing reports of orders for steel and of improvement in the industry accompanied the rise in steel. Also helpful were prospects of labor peace in the auto industry as union talks continued with Ford.

Motors moved to the upside after an uncertain start. The trend was generally higher among nonferrous metals, electrical equipments, tobaccos and mail order-retails.

Aerospace issues, airlines and building materials declined. The Associated Press average of 60 stocks at noon was up .3 at 324.1 with industrials up .5, rails up .6 and utilities off .2.

The Dow Jones industrial average at noon was up 66 at 867.79 as it continued to move into record high ground.

St. Augustine Still Reeling

Racism, Hurricane Damage Economy

ST. AUGUSTINE, Fla. (AP) — St. Augustine, whose economy rests on the foundation of its deep, rich history, has borne one too many storms.

First there was the racial storm, then Mother Nature's.

The first boiled up in early summer when the Rev. Martin Luther King Jr. sought equality for Negroes in the tourist businesses of the nation's oldest city. There was a whirlwind of violence. Tourists shunned St. Augustine.

Peace was restored with passage of the Civil Rights Act. Then, Wednesday night, Hurricane Dora stroled the old streets, leaving a numbing amount of damage to be repaired by people whose income was deeply cut by the racial conflict.

Two days earlier, St. Augustine had noted its 399th birthday and moved into the final phases of planning for a two-year celebration of its founding. The celebration is calculated to spur a \$20 million, 20-year program to restore and rebuild the St. Augustine of antiquity.

This restoration, St. Augustine's hope for a more solid tourist economy, is being carried out in the historically authentic fashion of Colonial Williamsburg, Va. It is one-quarter completed.

The restoration and the old fort on Matanzas Bay are the hub, with other tourist attractions on the rim: the Mission of Nombre de Dios, Fountain of Youth Park and Indian Burying Ground, the old jail, oldest school, oldest house, assorted museums.

None of the restored buildings was damaged by Dora, said Earle W. Newton, executive director of the St. Augustine Historical Restoration and Preservation Commission.

Newton said he is sure the storm will not affect the restoration or the quadricentennial, which begins New Year's Day.

Firefighters Answer 4 Calls During Weekend

The Circleville Fire Department answered four calls during the weekend — two were grass fires and two auto fires.

At 1:40 p. m. the department was called to douse a fire in a vacant lot at the corner of Washington and Town Sts. Cause was undetermined.

At 3:15 p. m. they were called to 100 Highland Ave., where grass had ignited from a burning trash barrel at the residence of John Ammer.

At 3:35 p. m. they were called to 620 S. Court St., where an auto owned by Bill Davis was reported on fire. The blaze was out when the department arrived.

Today at 1:40 a. m. the firefighters were called to the Walnut Creek Pike, where an auto was on fire. The blaze apparently started when the vehicle backed through the carburetor. Loss was estimated at \$25.

Pickaway Dems Slate Meeting

The Pickaway County Democratic party will kickoff campaigns for the candidates with a meeting 8 p. m. Wednesday in their headquarters located at 121 E. Main St., it was announced by Bill Stout, executive committee chairman.

Expected to be present at the meeting, which is open to the public, are Frank Smith, candidate for the house of representatives, and John Gordon, candidate for state senator for Pickaway and Franklin Counties.

The executive and central committees are cooperating with the Democratic Women's Organization in sponsoring the meeting.

Deaths and Funerals

MRS. CARRIE HEDGES

Mrs. Carrie Hedges, 77, Ashville, died Saturday morning in Mercy Hospital, Columbus. She was born Sept. 2, 1887 in Pickaway County the daughter of Joseph and Emma Wright Hines.

Mrs. Hedges was a member of the Ashville Methodist Church, Garden Club and Daughters of the American Revolution.

Surviving are her husband, Walter; three daughters, Mrs. Margaret McCabe and Mrs. Lucile Cook, both of Columbus; Mrs. Priscilla Storms, Salem, Ore.; a son, Chester Hedges, Ashville; 10 grandchildren; and two great-grandchildren.

Services will be 1:30 p. m. Tuesday at the Bastian Funeral Home, Ashville, with the Rev. William Sherertz officiating. Burial will be in Reber Hill Cemetery.

Friends may call at the funeral home.

MR. HARRY GLOYD

Mr. Harry Gloyd, 85, Ashville, died Sunday evening in Gayle's Nursing Home, Circleville.

Taft Fires Fresh Barb At Humphrey

PAINESVILLE, Ohio (AP) — Republican senatorial nominee Robert Taft Jr. aimed a political blow at Sen. Hubert H. Humphrey, Democratic vice presidential candidate, and criticized the Minnesota senator for his connection with the Americans for Democratic Action.

Taft told 18,000 Lake County Republicans Sunday that ADA has advocated such things as diplomatic recognition of Communist China and its admission to the United Nations and the abolishment of the House Committee on un-American Activities.

The Ohio congressman-at-large said Humphrey had not repudiated the stated goals of ADA and added:

"The American people have cause to be alarmed by his silence. The legitimacy of his aspiration to the vice presidency is questionable, to say the least, in view of his support of positions so foreign to prevailing American opinion."

Taft accused Democratic candidates at the state and national levels of "attempting to wage a campaign on a 'guilt by association' basis and ascribe views of certain organizations to their Republican opponents."

He denied Republicans belong to the organizations or endorse their views.

Hurricane Hits Bermuda

HAMILTON, Bermuda (AP) — Hurricane Ethel swirled into the chilly North Atlantic today after her fringe winds brushed Bermuda. Tropical storm Glady's was moving in from the east toward Puerto Rico.

No deaths were caused on Bermuda by Ethel, but trees were blown down, power lines cut, boats sunk and roads flooded. Winds averaged 75 miles an hour with gust up to 100.

The U.S. Weather Bureau said Ethel is expected to stay on a northeastern course into the North Atlantic. Late Sunday Ethel was 350 miles southeast of Nova Scotia's Sable Island. Center winds ran up to 100 miles an hour and gale winds extended 250 miles to the east and 150 miles to the west.

Glady's was still about 1,000 miles east-southeast of Puerto Rico and moving west-northwest at 18 miles an hour. Her highest winds are about 70 miles an hour.

Cardinal McIntyre Collapses in Basilica

ROME (AP)—James Francis Cardinal McIntyre of Los Angeles collapsed today during the ceremonial reopening of the Vatican Ecumenical Council in St. Peter's Basilica.

Doctors said a combination of fatigue and the heat of the basilica, filled with 2,500 council fathers and several thousand spectators, caused him to lose consciousness.

He was born Oct. 5, 1878, in Scioto Twp., the son of William and Mary Reed Gloyd.

Surviving are two brothers, Reed, Ashville, and Otis, Columbus; a sister, Mrs. Erma Baldwin, Cincinnati; several nieces and nephews.

Services will be 2 p. m. Wednesday at the Bastian Funeral Home, Ashville, with the Rev. John Morgan officiating. Burial will be in Harrison Twp. Cemetery.

Friends may call at the funeral home beginning 7:30 p. m. today.

MRS. MINNIE LINSKOTT

Mrs. Minnie Linscott, 88, formerly of Gloucester, died 5:10 a. m. today in Audrey's Nursing Home, S. Scioto St.

She was born Nov. 29, 1875, in Gloucester the daughter of Charles and Irene St. Clair Douglas. Her husband, Duett R. Linscott, preceded her in death.

Surviving are two foster daughters, Mrs. Don Hill, New Straitsville; Ruth Linscott, Zanesville.

Funeral arrangements are being completed by the Mader Funeral Home.

MR. ALFRED H. GRAVES

Mr. Alfred H. Graves, 83, Route 4, London, died 12:15 a. m. today in Mercy Hospital, Urbana.

He was born Sept. 16, 1880, in Ross County the son of Henry L. and Lidia Gant Graves. His wife, Loucretia Samson, preceded him in death.

Mr. Graves was a farmer and a member of the Church of Christ in Christian Union.

Surviving are four sons, Olen A., London; Hoyt, West Jefferson; Robert H., Woodstock; Kenneth D., South Charleston; two daughters, Mrs. Marjorie Martin, Pontiac, Mich.; Mrs. Mary Jane Hines, Route 4, London; 24 grandchildren; several great-grandchildren; one sister, Mrs. D. A. Marshall, Circleville.

Services will be 1:30 p. m. Thursday in the Church of Christ in Christian Union, London, with the Rev. Louis Rold officiating. Burial will be in Spring Lawn Cemetery, Williamsport.

Friends may call at the Lukens - Geer Funeral Home, London, beginning noon tomorrow, then noon Thursday at the Church.

Tires, Wheels Taken From Wrecked Car

Two tires and wheels were stolen from a wrecked car at Kenny Hannan's Ford, it was reported to Circleville Police Saturday afternoon.

The auto belongs to James B. Fraser, Hampton, Va. Police said the car had been jacked up, placed on cement blocks and the wheels removed.

U.S. GI . . .

(Continued from Page One) they would stop bothering the refugee and they did."

Puhl then ran back to the wall, gave his rifle to a West Berlin policeman and pulled out his pistol.

"Two West Berliners boosted me up," he continued, "so that I could see across the wall and I called to the refugee not to move and that we were going to cut the wire (on top of the wall)."

When Puhl peered over the wall, the Communist opened fire, hitting the upper edge of the wall and showering him with concrete fragments.

West Berlin police returned the fire from windows of the apartment house. Two East Germans succeeded in reaching Meyer again. One began pulling the refugee, and the other pointed a pistol at Puhl.

"The American pulled his own pistol from the holster, aimed at the East German and said in German: 'Drop him and get away from here,'" a witness said.

Puhl denied he had pointed his pistol but admitted it was out of its holster.

The East Germans again retreated. As Puhl covered Meyer, two West Berliners got a stepladder and wire cutters. Firemen brought a rope and Puhl dropped it to the wounded man.

"We got the rope on him and pulled him across," Puhl said. "He passed out when we got him over."

Helping Puhl were two West Berliners and an unidentified U.S. Army sergeant.

Five bullets hit Meyer. He was reported recovering from wounds in the thigh and shoulder.

Pickaway Countians Hear Guidance Center Proposal

Several Pickaway Countians were present Thursday for a meeting at Washington C. H. when plans were discussed for the establishment of an area guidance center for the treatment of emotionally ill and mentally disturbed persons.

Lowell Dillon, director of the Ohio Division of Mental Hygiene, was principal speaker. He pointed out that the proposed center, to be located at Chillicothe, would be for persons who need guidance only and not hospitalization.

A spokesman for the local assembly attending the meeting said the center will be an early step in handling emotional problems and a first source of professional assistance. As the patients will not be candidates for an institution, the emphasis will be on keeping them at home and "on the job as active members of a society."

It was pointed out that the center will be staffed at the outset by a psychiatrist, psychologist, psychiatric social workers and clerical help. As funds become available, this staff will be expanded to meet the needs of the population served.

FUNDS for the establishment and operation of the guidance center will be supplied by the state department and participating counties. Two-thirds of an estimated first year budget of \$54,000 will be supplied by the state. Counties' shares of the remaining \$18,000 will be determined by county populations.

At the present, Fayette, Ross and Pike Counties have given firm commitments to participate in the program. Pickaway and Highland counties are considering the proposal.

Pickaway County Commissioners, who attended the Thursday session, said today that they want more information about the guidance center. However, they indicated a strong interest in the proposal. The subject was to be taken under consideration today.

ATTENDING the meeting at Washington C. H. were Commissioners Clyde Michel, Lloyd Melvin and Wayne Hines; Everett Beers, Mrs. Melvin Yates, Mrs. David Whaley and Richard Fisher, representing the Pickaway County Mental Health Assn.; the Rev. William Huber; Mrs. Everett Beers; and Mrs. Wayne Hines.

Fisher and Hines were named to represent Pickaway County on the multi-county planning committee.

Vonda's immediate future involves a month here posing for pictures and being fitted out with a wardrobe. A senior at Arizona State University, she will postpone her final year of college until after she tours as Miss America.

First prize in the pageant brought her a \$10,000 scholarship and an estimated \$80,000 in personal appearance contracts. Another \$1,000 scholarship came with her selection by the other 49 girls as the pageant's Miss Congeniality — the first time that a Miss America had won the popularity contest.

Stock Mart Still Climbs

NEW YORK (AP) — Strength in steel helped the stock market move toward its ninth straight daily advance early this afternoon in fairly active trading.

Gains of most key stocks were mainly fractional, but the number of losses was increasing as traders took profits on recent gain.

Growing reports of orders for steel and of improvement in the industry accompanied the rise in steel. Also helped were prospects of labor peace in the auto industry as union talks continued with Ford.

Motors moved to the upside after an uncertain start. The trend was generally higher among nonferrous metals, electrical equipments, tobaccos and mail order-retails.

Aerospace issues, airlines and building materials declined. The Associated Press average of 80 stocks at noon was up .3 at 324.1 with industrials up .5, rails up .6 and utilities off .2.

The Dow Jones industrial average at noon was up 66 at 867.79 as it continued to move into record high ground.

St. Augustine Still Reeling

Racism, Hurricane Damage Economy

ST. AUGUSTINE, Fla. (AP) — St. Augustine, whose economy rests on the foundation of its deep, rich history, has borne one too many storms.

First there was the racial storm, then Mother Nature's.

The first boiled up in early summer when the Rev. Martin Luther King Jr. sought equality for Negroes in the tourist businesses of the nation's oldest city. There was a whirlwind of violence. Tourists shunned St. Augustine.

Peace was restored with passage of the Civil Rights Act. Then, Wednesday night, Hurricane Dora strolled the old streets, leaving a numbing amount of damage to be repaired by people whose income was deeply cut by the racial conflict.

Two days earlier, St. Augustine had noted its 399th birthday and moved into the final phases of planning for a two-year celebration of its founding. The celebration is calculated to spur a \$20 million, 20-year program to restore and rebuild the St. Augustine of antiquity.

This restoration, St. Augustine's hope for a more solid tourist economy, is being carried out in the historically authentic fashion of Colonial Williamsburg, Va. It is one-quarter completed.

The restoration and the old fort on Matanzas Bay are the hub, with other tourist attractions on the rim: the Mission of Nombre de Dios, Fountain of Youth Park and Indian Burying Ground, the old jail, oldest school, oldest house, assorted museums.

None of the restored buildings was damaged by Dora, said Earle W. Newton, executive director of the St. Augustine Historical Restoration and Preservation Commission.

Newton said he is sure the storm will not affect the restoration or the quadricentennial, which begins New Year's Day.

Firefighters Answer 4 Calls During Weekend

The Circleville Fire Department answered four calls during the weekend — two were grass fires and two auto fires.

At 1:40 p. m. the department was called to douse a fire in a vacant lot at the corner of Washington and Town Sts. Cause was undetermined.

At 3:15 p. m. they were called to 100 Highland Ave., where grass had ignited from a burning trash barrel at the residence of John Ammer.

At 3:35 p. m. they were called to 620 S. Court St., where an auto owned by Bill Davis was reported on fire. The blaze was undetermined.

Today at 1:40 a. m. the fire-fighters were called to the Walnut Creek Pike, where an auto was on fire. The blaze apparently started when the vehicle backed through the carburetor. Loss was estimated at \$25.

Pickaway Dems Slate Meeting

The Pickaway County Democratic party will kickoff campaigns for the candidates with a meeting 8 p. m. Wednesday in their headquarters located at 121 E. Main St., it was announced today by Bill Stout, executive committee chairman.

Expected to be present at the meeting, which is open to the public, are Frank Smith, candidate for the house of representatives, and John Gordon, candidate for state senator for Pickaway and Franklin Counties.

The executive and central committees are cooperating with the Democratic Women's Organization in sponsoring the meeting.

Premier Has Operation

JERUSALEM (AP) — Israeli Prime Minister Levi Eshkol, 69, underwent an operation for a cataract of the right eye at Hadassah Hospital today.

Doctors said a combination of fatigue and the heat of the basilica, filled with 2,500 council fathers and several thousand spectators, caused him to lose consciousness.

Deaths and Funerals

MRS. CARRIE HEDGES
Mrs. Carrie Hedges, 77, Ashville, died Saturday morning in Mercy Hospital, Columbus.

She was born Sept. 2, 1887 in Pickaway County the daughter of Joseph and Emma Wright Hines.

Mrs. Hedges was a member of the Ashville Methodist Church, Garden Club and Daughters of the American Revolution.

Surviving are her husband, Walter; three daughters, Mrs. Margaret McCabe and Mrs. Lucile Cook, both of Columbus; Mrs. Priscilla Storms, Salem, Ore.; a son, Chester Hedges, Ashville; 10 grandchildren; and two great-grandchildren.

Services will be 1:30 p. m. Tuesday at the Bastian Funeral Home, Ashville, with the Rev. William Sherertz officiating. Burial will be in Reber Hill Cemetery.

Friends may call at the funeral home.

MR. HARRY GLOYD
Mr. Harry Gloyd, 85, Ashville, died Sunday evening in Gayle's Nursing Home, Circleville.

He was born Oct. 5, 1878, in Scioto Twp., the son of William and Mary Reed Gloyd.

Surviving are two brothers, Reed, Ashville, and Otis, Columbus; a sister, Mrs. Erna Baldwin, Cincinnati; several nieces and nephews.

Services will be 2 p. m. Wednesday at the Bastian Funeral Home, Ashville, with the Rev. John Morgan officiating. Burial will be in Harrison Twp. Cemetery.

Friends may call at the funeral home beginning 7:30 p. m. today.

MRS. MINNIE LINSKOTT
Mrs. Minnie Linscott, 88, formerly of Gloucester, died 5:10 a. m. today in Audrey's Nursing Home, S. Scioto St.

She was born Nov. 29, 1875, in Gloucester the daughter of Charles and Irene St. Clair Douglas. Her husband, Druett R. Linscott, preceded her in death.

Surviving are two foster daughters, Mrs. Don Hillier, New Straitsville; Ruth Linscott, Zanewille.

Funeral arrangements are being completed by the Mader Funeral Home.

MR. ALFRED H. GRAVES
Mr. Alfred H. Graves, 83, Route 4, London, died 12:15 a. m. today in Mercy Hospital, Urbana.

He was born Sept. 16, 1880, in Ross County the son of Henry L. and Lidia Gant Graves. His wife, Loucretia Samson, preceded him in death.

Mr. Graves was a farmer and a member of the Church of Christ in Christian Union.

Surviving are four sons, Olen A. London; Hoyt, West Jefferson; Robert H., Woodstock; Kenneth D., South Charleston; two daughters, Mrs. Marjorie Martin, Pontiac, Mich.; Mrs. Mary Jane Henry, Route 4, London; 24 grandchildren; several great-grandchildren; one sister, Mrs. D. A. Marshall, Circleville.

Services will be 1:30 p. m. Thursday in the Church of Christ in Christian Union, London, with the Rev. Louis Rold officiating. Burial will be in Spring Lawn Cemetery, Williamsport.

Friends may call at the Lukens - Geer Funeral Home, London, beginning noon tomorrow, then noon Thursday at the Church.

Neurotics Anonymous Is Formed

TORONTO (AP) — Neurotic? Lonely? Fearful? Can't communicate or have successful relationships with members of your family?

Then it's Neurotics Anonymous for you.

This is a new group that hopes to do for neuroses what Alcoholics Anonymous has done for alcoholism and Gamblers Anonymous has done for the better.

NA held a private dinner one night this week — vichyssoise, trout and coq au vin — for its second formal and first private gathering since formation. Host was M. J. Youle-White, an English author who wouldn't say how many guests he had. They remain nameless.

Youle-White had this to say: "True neurotics tend to be more intelligent than most people and more articulate, so they are more aware of their problems and are affected more acutely by them than others."

"The problems? Oh, the basic ones, of loneliness, fear, inability to communicate and to have successful relationships with wives, children and other members of their families."

He started with an ad in a newspaper's personal column and in six weeks had about 2,000 phone calls and 500 letters.

He commented: "We are an organization of outsiders and we'll run on similar lines to Alcoholics Anonymous and Gamblers Anonymous. Perhaps we'll even develop our own rituals, as they have."

U.S. GI . . .

(Continued from Page One)

They would stop bothering the refugee and they did."

Puhl then ran back to the wall, gave his rifle to a West Berlin policeman and pulled out his pistol.

"Two West Berliners boosted me up," he continued, "so that I could see across the wall and I called to the refugee not to move and that we were going to cut the wire (on top of the wall)."

When Puhl peered over the wall, the Communist opened fire, hitting the upper edge of the wall and showering him with concrete fragments.

West Berlin police returned the fire from windows of the apartment house. Two East Germans succeeded in reaching Meyer again. One began pulling the refugee, and the other pointed a pistol at Puhl.

"The American pulled his own pistol from the holster, aimed at the East German and said in German: 'Drop him and get away from here,'" a witness said.

Puhl denied he had pointed his pistol but admitted it was out of its holster.

The East Germans again retreated. As Puhl covered Meyer, two West Berliners got a step ladder and wire cutters. Firemen brought a rope and Puhl dropped it to the wounded man.

"We got the rope on him and pulled him across," Puhl said. "He passed out when we got him over."

Helping Puhl were two West Berliners and an unidentified U.S. Army sergeant.

Five bullets hit Meyer. He was reported recovering from wounds in the thigh and shoulder.

Ohio Woman To Get White House Call

WASHINGTON (AP) — Mrs. George De uci of Columbus was expecting a somewhat unusual telephone call today — from Mrs. Lyndon B. Johnson and Mrs. Hubert H. Humphrey, wives of the Democratic presidential nominees, in their "Tell a Friend" conference call campaign.

The call was one of 50 to be made to a woman in each of the states and District of Columbia by the First Lady and Mrs. Humphrey with the message: Register and vote. Each of the 50 women is then to call or write 10 friends in a mounting pyramid of appeals to get out a massive vote in November.

USE THE CLASSIFIEDS

Auto Settlement Brings Cheers

By DARDEN CHAMBLISS
AP Business News Writer

NEW YORK (AP) — The Chrysler Corp. and the United Auto Workers Union collaborated this past week to help keep the nation's economic engine roaring along.

While some felt that their new contract agreement involved a fuel mixture too rich for healthy operation, there was almost universal cheer that a strike had been avoided.

The agreement, announced a short time before the old contract ran out at 10 a.m. Wednesday, involved a package valued at between 53 and 57 cents an hour over a three-year span. That's the biggest boost in auto industry history.

The stock market reacted almost immediately with a strong spurt.

Steelmakers indicated that this almost assures an all-time record for that rebounding basic industry.

The settlement appeared to remove the chief obstacle to continuation of a record peacetime business expansion, now in its 43rd month.

However, after the first flush of satisfaction at averting a strike, questions about possible inflationary effects shot to the fore.

The settlement involved a wage increase of about 4.7 per cent, well above the 3.2 per cent guideline set by the President's Council of Economic Advisers

as noninflationary.

The union argues, however, that auto industry productivity has risen not by 3.2 per cent but by about 4.9 per cent and that the boost is therefore within the limits.

The council's position has been that inflation can be avoided if wage increases do not exceed increases in productivity, or output per man-hour.

Yet to be seen is whether first-ranked General Motors and second-ranked Ford Motor Co. will match the Chrysler settlement in size and ease. The Ford contract expires Sept. 15, and the GM contract expires Sept. 16. A strike could develop from either negotiation.

Also in doubt is the direct

effect of the Chrysler settlement, and other similar agreements by other makers, upon auto prices. First indications were that there would be no immediate boosts.

Economists also pondered the indirect effects of the settlement, wondering whether other unions might follow the Auto Workers' lead and seek fatter boosts in a way that could cause strife and inflationary pressure.

The pay rise themselves, going to 74,000 Chrysler workers retroactively to Sept. 1, will obviously have some influence on total spending pressure. But the immediate impact is diminished by the fact that much of the increase is in such fringe benefits as improved pension

payments.

The Chrysler-UAW settlement overshadowed another labor agreement, one between the nation's biggest copper producer, Kennecott Copper Corp., and the United Steelworkers Union. Kennecott had been shut down July 1, creating a very tight copper supply. It was estimated that the effects of that stoppage would be felt for several months more, but the copper industry was clearly cheered by the developments.

Just before Kennecott and Anaconda Copper Co. had received good news in the form of the election in Chile of a moderate as president rather than of a Marxist who had pledged to nationalize foreign copper operations there. The two U.S. companies have major holdings in the Latin American country.

Ohio Whistle Stop Tour Set by Barry

WASHINGTON (AP) — Sen. Barry M. Goldwater, Republican presidential nominee, plans to make a "whistle stop" train trip through Ohio Sept. 29 and 30.

GOP National Chairman Dean Burch said Sunday these are the Ohio cities Goldwater will visit:

Sept. 29—Marietta, Athens, Chillicothe, Blanchester and Cincinnati; Sept. 30 —Middletown, Dayton, Springfield, Columbus, Marion, Lima, Deshler and Toledo.

Ohio Woman To Get White House Call

WASHINGTON (AP) — Mrs. George De uci of Columbus was expecting a somewhat unusual telephone call today — from Mrs. Lyndon B. Johnson and Mrs. Hubert H. Humphrey, wives of the Democratic presidential nominees, in their "Tell a Friend" conference call campaign.

The call was one of 50 to be made to a woman in each of the states and District of Columbia by the First Lady and Mrs. Humphrey with the message: Register and vote. Each of the 50 women is then to call or write 10 friends in a mounting pyramid of appeals to get out a massive vote in November.

USE THE CLASSIFIEDS

Auto Settlement Brings Cheers

By DARDEN CHAMBLISS

AP Business News Writer

NEW YORK (AP) — The Chrysler Corp. and the United Auto Workers Union collaborated this past week to help keep the nation's economic engine roaring along.

While some felt that their new contract agreement involved a fuel mixture too rich for healthy operation, there was almost universal cheer that a strike had been avoided.

The agreement, announced a short time before the old contract ran out at 10 a.m. Wednesday, involved a package valued at between 53 and 57 cents an hour over a three-year span. That's the biggest boost in auto industry history.

The stock market reacted almost immediately with a strong spurt.

Steelmakers indicated that this almost assures an all-time record for that rebounding basic industry.

The settlement appeared to remove the chief obstacle to continuation of a record peacetime business expansion, now in its 43rd month.

However, after the first flush of satisfaction at averting a strike, questions about possible inflationary effects shot to the fore.

The settlement involved a wage increase of about 4.7 per cent, well above the 3.2 per cent guideline set by the President's Council of Economic Advisers

as noninflationary.

The union argues, however, that auto industry productivity has risen not by 3.2 per cent but by about 4.9 per cent and that the boost is therefore within the limits.

The council's position has been that inflation can be avoided if wage increases do not exceed increases in productivity, or output per man-hour.

Yet to be seen is whether first-ranked General Motors and second-ranked Ford Motor Co. will match the Chrysler settlement in size and ease. The Ford contract expires Sept. 15, and the GM contract expires Sept. 16. A strike could develop from either negotiation.

Also in doubt is the direct

effect of the Chrysler settlement, and other similar agreements by other makers, upon auto prices. First indications were that there would be no immediate boosts.

Economists also pondered the indirect effects of the settlement, wondering whether other unions might follow the Auto Workers' lead and seek fatter boosts in a way that could cause strife and inflationary pressure.

The pay rise themselves, going to 74,000 Chrysler workers retroactively to Sept. 1, will obviously have some influence on total spending pressure. But the immediate impact is diminished by the fact that much of the increase is in such fringe benefits as improved pension

payments.

The Chrysler-UAW settlement overshadowed another labor agreement, one between the nation's biggest copper producer, Kennecott Copper Corp., and the United Steelworkers Union. Kennecott had been shut down July 1, creating a very tight copper supply. It was estimated that the effects of that stoppage would be felt for several months more, but the copper industry was clearly cheered by the developments.

Just before Kennecott and Anaconda Copper Co. had received good news in the form of the election in Chile of a moderate as president rather than of a Marxist who had pledged to nationalize foreign copper operations there. The two U.S. companies have major holdings in the Latin American country.

Ohio Whistle Stop Tour Set by Barry

WASHINGTON (AP) — Sen. Barry M. Goldwater, Republican presidential nominee, plans to make a "whistle stop" train trip through Ohio Sept. 29 and 30.

GOP National Chairman Dean Burch said Sunday these are the Ohio cities Goldwater will visit:

past week included reports showing business inventories had slipped in July, that individual savings had jumped, the introduction to trading of the space-age Communications Satellite Corp. common stock on the New York Stock Exchange, and record sales by the world's biggest retailer, Sears Roebuck & Co.

Signs Point to Middle Age

By Hal Boyle

The Circleville Herald, Mon.
Circleville, Ohio

1964

NEW YORK (AP) — Signs of middle age:
You're busier fighting old bad habits than acquiring new ones.
If anyone asks it is hot enough for you, you have an almost irresistible urge to grab him by the lapels and tell him about the heat wave back in 1935.
Teen-agers look a lot bigger than they did when you were one.
Every year you admire your own parents more as you realize how much smarter they were about raising children than you are.
You wouldn't buy a ticket to the moon if they were selling at three for a quarter.
Getting to work on time isn't much trouble anymore because you rather like to get up earlier in the morning.
The bright new young comed-

ans on television don't seem very funny — half the time you don't understand what they are joking about.
Instead of thinking of old age as beginning around 60, you push its onset up to 70 or 75.
There don't seem to be as many bluebirds around as there were years ago.
Next year, you decide, you'll set out fewer tomato plants in the garden — and plant a shorter row of string beans.
At cocktail parties you ration yourself to two martinis, and give up betting strangers that you can beat them at Indian hand wrestling.
Being caught in a sudden rain makes you grumpy the rest of the day.
You can think of many more reasons for staying home than going on a picnic.

Everybody on the highway drives like an idiot except you.
When you see two young people in love you thank heaven you didn't act that silly when you were that age.
A letter from an old friend makes you feel sentimental — after you have opened it and found he isn't trying to borrow money — and you save it for days and read it over and over.
You got along fine with your old neighbors, but when they move away you make up your mind to put up a picket fence. Never can tell what the new neighbors will be like.
Everybody seems so neurotic and full of strange prejudices nowadays. You're glad you're not that way at all.
That's middle age. At least these are ways to tell — in the other fellow.

They'll Do It Every Time

Reprinted by H. P. Paul Office

By Jimmy Hatlo

LAFF-A-DAY

Try and Stop Me

By BENNETT CERF

A RESIDENT of an apartment in a crowded city street watched the kids play football whenever a lull in traffic permitted. They scored many a touchdown but never attempted a kick there-after for the extra point. He asked one of the boys for an explanation. "We used to do it," said the boy, "but had to give it up. We were getting the extra points all right, but the storekeepers objected to getting extra windows."

Jack Guinn tells of a Denver lady who sought her analyst to complain, "I have a recurring dream in which I appear at all sorts of important social functions stark naked except for a hat." "Nothing to worry about," the analyst assured her. "Lots of people with a minor anxiety complex dream of being seen in public improperly clothed." "That isn't what's bothering me," the lady continued. "What gets me is that there's always some other woman at the party with a hat exactly like mine."

Speaking of YOUR HEALTH...

By LESTER L. COLEMAN, M.D.

For the very first time, new rays of hope are beginning to appear for patients who have a type of deafness known as "nerve deafness."

This kind of total nerve deafness is the target for a concentrated attack by scientists in many and diversified fields.

Ear surgeons (otologists), working in conjunction with electronic engineers, chemists and physicists, are attacking this incapacitating deafness.

Contrary to selling claims, total and complete nerve deafness cannot today be helped by any of the amplifying hearing aid instruments.

A new electronic apparatus, still in an experimental phase, is actually transmitting electrical impulses through the skin behind the ear to the hearing center in the brain.

The new instrument is similar to a broadcasting unit and sends electrical charges that produce intelligible sounds to the deaf person.

Patients who have been deafened for many years have been able once again to hear and recognize words that they had heard only prior to the onset of their deafness.

This experimental device is being greeted with sufficient enthusiasm and optimism to encourage further development and refinement.

The eventual hope is that this apparatus will be used as a new type of hearing aid for the return of serviceable hearing for nerve deafness.

Madison Avenue Packages

By John Chamberlain

Madison Avenue will undoubtedly have a lot to do with the conduct of this autumn's Presidential campaign. And, if certain scripts that have already been worked up are destined to survive the editorial axe, the voters are going to be forced to choose between pictures of two Barry Goldwaters who make no connection with each other.

The Democratic idea is to present a portrait of a monster, half nuclear criminal Dr. Strangelove, half Boris Karloff, who, after robbing everybody in the United States of his or her social security card, will then proceed to push the atom button and rob at least a hundred and fifty million Americans of their lives. The "spots" on the air will fade the supposedly prophetic voices in and out, without apologies to the creator of Frankenstein's monster or the Charles Dickens who liked to portray characters who gloated over making your flesh creep.

The pro-Goldwater five-minute TV "spots", on the other hand, will picture Barry as "the handsome, articulate Senator in prolonged 'human' situations."

What H. L. Mencken would have done to ridicule the coming TV-radio contest in the exploitation of pap and nonsense on both sides can only be guessed. The old sage of Baltimore would, of course, have said that a battle of contrasting hokums is just what the American booboisie deserves. He would in all likelihood have said that the yokels can only understand a contest between sinister Dr. Fu Manchu and holy Sir Galahad. However, since I am a glandular optimist, I persist in thinking better of the American public. Surely it has learned something since Mencken's day. Only a fool can think Barry Goldwater is Dr. Strangelove. And only a fool can think he is Sir Galahad. So why not dispense with the "spots" that are now being worked up by both sides to waste everybody's time on the air during the next fifty days? It might hurt a couple of advertising agencies if the hokum were to be buried without ceremony. But Madison Avenue's loss would be the American hinterland's gain.

Leaving Madison Avenue out of it, the American people this autumn are going to witness a contest between two characters who will each be campaigning to make himself out as the most peaceful, the most pro-free enterprise, the most humane gentleman on earth. Goldwater set the pace in his Prescott speech when he attacked the military draft. He continued the pitch when he promised a tax cut of 25 per cent over a period of five years.

The draft, as everybody knows, is just about as equitable as a division of jungle spoils between a lion and a gazelle. Kids with high IQs can evade it almost indefinitely by staying on in college, or by getting themselves jobs in industries that need physicists and

mathematicians, or by marrying young and starting families. Goldwater did well to promise its elimination in a day when armies must be professional if they hope to win in campaigns that are dominated by the military extremes of the jet plane and the guerilla expert. But Johnson had already hinted at the elimination of the draft at a not too distant time. If the polls show that he is lagging too far

Looking Back In Pickaway County

FIVE YEARS AGO

The Pickaway County Community Fund Drive opened today with solicitation of industrial gifts.

Thirteen youths were inducted into the Circleville Hi-Y Club at a meeting held in the Presbyterian Church.

The local BPO Elks announced plans for their annual Ladies Night Dance.

TEN YEARS AGO

Squirrel hunting season was scheduled to begin Wednesday and last a period of one month.

Ethel Brobst and Mary Shortridge attended the Pickaway County National Farm Loan Association meeting at Purdue University, Lafayette, Ind.

Cecil Galloway of Fox won top prize for the championship boar and for showmanship in the Future Farmers of America Swine judging at the Pickaway County Fair.

Twenty-five years ago Circleville's high temperature for the day was 94 believed to be the highest mark for the date since 1887.

A newly-organized advisory board, to assist the Pickaway County division of public assistance, conducted its first meeting.

Mrs. Richard Fellmeth, vice president of the Lutheran Ladies Society was named delegate to the biennial convention of the Women's Missionary Federation of the American Lutheran Church to be held in Fremont, O.

Looking Back In Pickaway County

FIVE YEARS AGO

The Pickaway County Community Fund Drive opened today with solicitation of industrial gifts.

Thirteen youths were inducted into the Circleville Hi-Y Club at a meeting held in the Presbyterian Church.

The local BPO Elks announced plans for their annual Ladies Night Dance.

TEN YEARS AGO

Squirrel hunting season was scheduled to begin Wednesday and last a period of one month.

Ethel Brobst and Mary Shortridge attended the Pickaway County National Farm Loan Association meeting at Purdue University, Lafayette, Ind.

Cecil Galloway of Fox won top prize for the championship boar and for showmanship in the Future Farmers of America Swine judging at the Pickaway County Fair.

Twenty-five years ago Circleville's high temperature for the day was 94 believed to be the highest mark for the date since 1887.

A newly-organized advisory board, to assist the Pickaway County division of public assistance, conducted its first meeting.

Mrs. Richard Fellmeth, vice president of the Lutheran Ladies Society was named delegate to the biennial convention of the Women's Missionary Federation of the American Lutheran Church to be held in Fremont, O.

behind Goldwater in his promises about the end of the draft, he will almost certainly speed up his own timetable.

As for the contest between tax cutters, it's going to be terrific. Johnson has already promised an end to the more onerous excise taxes. Goldwater capped this by his annual income tax cut proposition. Johnson will assuredly put Dr. Heller on the job of capping Goldwater's climax. By the time November rolls around everybody should be feeling richer than Rockefeller. In the future, of course.

There is certainly a lot of hokum in all this, too. But hokum about ending the draft at nine minutes past midnight tomorrow or giving back huge instant chunks of their own incomes to Americans who are tired of surrendering their substance to be poured down rat holes in Indonesia and Yugoslavia, is not half as insulting to the public intelligence as this stuff about Boris Karloff or Sir Galahad as the head of the Republican ticket. Drafts and taxes are man-made and they can be unmade by the same men that made them.

NFO Action Like Cloud: It's a Threat

DES MOINES, Iowa (AP)—The National Farmers Organization livestock holding action can be compared with a huge rain cloud. While it has produced little economic effect so far, the threat—or promise—is there.

Its very existence is a symptom of conditions that forbode a change.

It has been accompanied by scattered violence, although few of the deliberate incidents have been linked to NFO members and non to the organization itself.

Farmers, farm leaders and government officials agree that something must be done to change the situation in which the farmer is paying more for what he buys while getting less for what he sells. But many of them express doubt that the change can be accomplished by a farmers' boycott of markets—a tactic the NFO has pressed in 23 states since Aug. 20.

NFO President Oren Lee Staley continued to exhibit confidence. "You don't judge a holding action on day-to-day receipts," he told The Associated Press.

"You judge the cumulative effect. We have already cut deeply into the meat supply in storage. Now farmers are in the position of being able to really tighten the holding action down, because most of the production that was in the hands of captive sellers or farmers that have intended to sell has already been marketed."

Harold Schafkroth, who has a dairy farm just west of here, had this comment:

"My neighbor and I—he's a dairyman too—were going through our old milk receipts the other day. We found that we're not getting as much for milk now as we did in 1952 and 1953.

"And it's showing up. My standard of living is down. Look at my old car over there." He waved toward an elderly Dodge.

He is not an NFO member, and said that if he had livestock ready he would ship it to market. He said he doesn't believe the holding action has enough strength at present to achieve its purpose.

Another farmer, Boyd Everman, has 100 hogs ready for market and is withholding them, although he is not an NFO member.

"We'll just have to keep holding out until we get big enough to make things right, or else we'll have to have a government program on livestock like we do on grain," he said. He plans to keep his hogs off the market "as long as I can without going under."

Grange

SCIOTO GRANGE

Scioto Grange met Sept. 3, at Scioto School.

The following officers were elected to serve the 1964-1965 year: master, Kenneth Beach; overseer, Donald Kessler; lecturer, Mrs. S. E. Beers; steward, Pearl Zimmer; assistant steward, Orlan Burchwell; chaplain, Mrs. Paul Beers; treasurer, S. E. Beers; secretary, Mrs. Kenneth Beach; gatekeeper, Elbert Becker; Ceres, Mrs. Ray Beavers; Pomona, Mrs. Orville Dountz; Flora, Alma Hudson; lady assistant steward, Mrs. Gail Duval; executive committee, Orville Dountz; pianist and assistant, Mrs. Orlan Burchwell and Mrs. Ernest Bidwell.

At the next regular meeting, Sept. 17, a pot luck supper will be held at 6:30 p.m. All members are urged to attend. Each family is to bring table service.

The World Today

WASHINGTON (AP)—President Johnson's administration is in for double damage if the struggle against communism in South Viet Nam now collapses into civil war or chaos.

Only last week Maxwell D. Taylor, U.S. ambassador there, headed back to Viet Nam after a four-day visit here to report on the situation which had been getting steadily worse. But he was optimistic, talked of "eventual victory."

Then Sunday came the fifth upheaval in 10 months. A group of officers, some of them Catholics ousted by Premier Nguyen Khanh and blacklisted by the Buddhists, seized Saigon with a few thousand troops.

They called Khanh a traitor. Later in the day the United States announced it was backing Khanh. Still later in the day the coup collapsed, the troops withdrew, and Khanh still seemed in control.

All this is testimony to the unstable condition in South Viet Nam where the Red guerrillas from North Viet Nam have been trying for years to take over the whole country and are making progress.

Their biggest help has been the internal deterioration in the south. At this moment no one can predict what comes tomorrow. Civil war, perhaps. If so:

1. American prestige in Asia will suffer perhaps a fatal blow in its struggle against communism on the continent. What other country then would depend on U.S. guidance or help?

This country has been aiding the South Vietnamese for eight years, has 18,000 military men there, supposedly as trainers and advisers, has lost over 200 of them, has pumped in billions

of dollars in military and economic help.

2. The situation could become a prime issue in the U.S. presidential campaign.

In the latest upheaval Brig. Gen. Lam Van Phat, a Roman Catholic, and other officers marched into Saigon with their troops and announced seizure of the government. This was only a symptom of the ailment.

The South Vietnamese are split by Catholic-Buddhist factions and the disputes and ambitions of generals. They lack the unity and general will necessary to solve their mara-moud problem: victory over the Reds.

The history of the past 10 months has been one of steady deterioration.

Last Nov. 1 President Ngo Dinh Diem, a Catholic, was killed when a military junta took over after his bitter quarrels with the Buddhists. This lasted until Jan. 30.

Then Maj. Gen. Khanh, in another coup, threw out the junta. He survived until Aug. 7 when, like Diem, he tried to establish a dictatorship. Buddhists protested, even though Khanh was a Buddhist, and fought Catholics in the streets.

In the midst of this uproar Khanh skipped out, but only temporarily, and returned Sept. 5. He bowed to Buddhist demands, bounced some of his top officers, including Catholics like Gen. Phat.

Each time this country quickly recognized the new masters or master, until Sunday when it stuck by Khanh. As of now he's boss again.

If there's no civil war until after the American elections, Johnson may then feel he can

move more freely in handling Viet Nam than he does now.

Dayton Area Intersection Is 'Worst'

COLUMBUS, Ohio (AP)—The intersection of U.S. 25 and Ohio 741 just south of Moraine in Montgomery County got the dubious distinction today of being ranked first in the state accident frequency for the first six months of 1964.

Warren C. Nelson, director of the Department of Highway Safety, said that in that period there were 28 accidents and 12 injuries reported at the intersection—more than any other location in the rural state highway system. In all of 1963, the same location ranked fourth in the state with 41 accidents.

Franklin County's U.S. 40 junction with Georgesville Road, west of Columbus, again ranked second in the state with 23 accidents, 26 injuries and one fatality. For the year 1963, that intersection ranked second in the state.

Montgomery County laid claim to the third most high-frequency accident location, also on U.S. 25 at the junction of Needmore Road north of Dayton, where 21 accidents and 20 injuries were reported.

At the same time, Director Nelson reported that Ohio was the only state in its category, based on population, vehicle registration and travel mileage, to show a decline in fatal highway traffic accidents in the first seven months of 1964.

Veteran Actor Insists on Favorite Hat for Role

HOLLYWOOD (AP)—James Stewart is not a fussy man, but there are times when he wants his way.

Right now he is content. He is back at Universal, where he has filmed a number of successful outdoor movies dating back to "Destry Rides Again" (1939).

This time he is making a Civil War picture called "Shenandoah," and one of the reasons for his contentment is that he once again has the hat. Not just a hat — The hat.

The hat dates back to "Winchester 73," which he made 15 years ago as part of a historic two-picture deal. Universal offered to give him 50 per cent of the profits in a contract that was to set the pattern for the future; until then, stars were merely paid salaries.

Stewart's pact was primarily for "Harvey," which netted him no profit, with "Winchester 73" thrown in the bargain. His returns from the western were in the millions.

It happened that on "Winchester 73," he found a hat and a pair of chaps that felt good to him. He next was going to make a western for MGM, "Naked Spur," and he wanted to use them again.

Here's how he tells the story: "I went over to MGM and told them about the hat and chaps I would like to get from Universal. But we never borrow anything from other studios,"

they told me. 'We make our own things.'"

"I told them, 'Yes, but I want to use the same hat and chaps, so why don't you break your rule for once?' They said they would look into it."

"They borrowed the hat and chaps from Universal and made exact duplicates and returned the originals to Universal. They showed me what they had done. 'That's very nice,' I said. 'They look just like the real ones, but they're not the real ones. And I want to wear the real ones in the picture.'"

"I was so firm that they decided to change the policy for once. But now Universal said, 'If you're going to be that way about it, we won't lend you the hat and chaps.'"

"So I went up to the location, but I wasn't happy. I sat in my hotel room and I told them I wasn't making a move until I

got that hat and chaps. They sent up Billy Grady, figuring he was a friend of mine and could reason with me."

"I told Billy, 'Nuts to you, too! I'm not working!' I said maybe if MGM asked nicely, Universal would agree to the loan. MGM did and Universal did, and I did the picture."

What makes these
MAYTAG
Halo of Heat® DRYERS
so fast and safe for all your wash?

Complete Pushbutton Control for Regular Fabrics, "Wash 'n Wear," "Damp Dry," or "Air Fluff." No time or temperature controls to worry about. Maytag's electronic control shuts off dryer automatically when clothes are dry. Wash 'n Wear chime alerts you to remove wash 'n wear before wrinkles set in.

Set it, and forget it! Maytag's remarkable electronic control feels clothes for moisture, shuts dryer off automatically when they are dried the way you want them. "Air Fluff" setting provides tumble and air flow without heat. "Damp Dry" leaves clothes ready for ironing.

Maytag Halo of Heat Dryer—dependability and wanted features at a low, low price. A gentle circle of safe, even heat dries fast and safe. Push-button temperature selection for properly drying all garments: "Regular Fabrics," "Wash 'n Wear" and "Air Fluff."

Gas or Electric Models

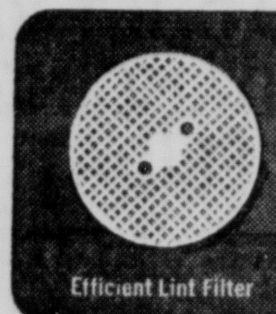

**THESE DEPENDABLE
MAYTAG FEATURES,
that's what!**

A gentle circle of low-temperature heat

Full family-size Capacity

Efficient Lint Filter

Zinc-coated Steel Cabinet with Safety Door

The Maytag Halo of Heat Dryer has the big difference in automatic dryers—a gentle circle of even heat and safe, low temperatures. There are no "hot spots" in a Maytag Dryer so you can dry your most delicate fabrics without worry. Yet the Maytag Halo of Heat Dryer is so fast it can dry a load of 32 diapers in 32 minutes. And its full, family-size capacity lets you dry as much as you can wash at one time. Maytag's efficient lint filter eliminates lint problems too.

And Maytag Halo of Heat Dryers also have an "air fluff" setting that provides tumbling and air flow without heat. Wonderful for fluffing shag rugs and chenille bedspreads.

See the new MAYTAG Halo of Heat Dryer with push-button controls including wash 'n wear,

Stauffer, Lovett Wedding Vows Exchanged Sept. 6

MRS. DAVID L. LOVETT

Miss Janet L. Stauffer, daughter of Mrs. Charles D. Picklesimer, Williamsport, and the late Mr. Donald Stauffer, became the bride of Mr. David L. Lovett, son of Mr. and Mrs. L. L. Lovett, Athens, 2:30 p. m. Sept. 6 in the Williamsport Methodist Church.

The Rev. William Powers performed the double ring ceremony. White gladioli and yellow chrysanthemums decorated the altar.

Mrs. John Edwin Ater, Columbus, and Mr. Herman Hinton, Laurelville, presented a program of appropriate nuptial selections.

Given in marriage by her step-father, Mr. Charles Picklesimer, the bride wore a sheath style gown of white silk peau taffeta enhanced with pearl and crystal beaded Alencon lace applique designed with an oval neckline, long sleeves extending to points over the hands and a detachable train. A pearl crown held her elbow length veil and she carried a Bible topped with an arrangement of white carnations. Her only jewelry was a diamond heart shaped necklace.

Mrs. Don R. Steinhauser, Columbus, was matron of honor. Bridesmaids were Mrs. Gary Lovett, Miss Lily Bennett of Columbus and Miss Donna Stauffer, sister of the bride. The attendants wore gowns of pastel green each fashioned with a scoop neckline. A line skirt and back panel drape. Matching pearl trimmed open crown pill-box hats held their pouf veils and each carried a colonial bouquet of white carnations interspersed with yellow ribbon. Miss

Faith Ann Picklesimer, sister of the bride, and Miss Traci Ann McBride niece of the bridegroom, were flower girls. They wore dresses similar to the attendants and carried nosegay bouquets.

Mr. John Seaman, Athens, was best man. Ushers were Mr. Richard Riggle, Columbus; Mr. Mike Stauffer, brother of the bride, Mr. Sam Workman, Athens.

The bride's mother wore a green knit dress with brown accessories. The mother of the bridegroom wore a beige dress and brown accessories. Each wore a corsage of tangerine carnations.

A reception was held in the church basement. Hostesses were Mrs. Les Remy, Chillicothe; Mrs. Gail Linton, Mrs. David Duvall, Circleville, and Mrs. Wayne Stambaugh, Columbus. Mrs. Harold Fry presided at the guest register.

For her going-away costume the new Mrs. Lovett wore a pink dress, with black accessories.

The bride is a graduate of Williamsport High School and attended Bliss Business College. She is presently employed with the Columbus and Southern Ohio Electric Company.

Mr. Lovett is a graduate of Athens High School and attended Ohio University. He is presently employed with the Economy Savings and Loan, Columbus.

The couple reside at Route 2, Ashville.

Out-of-town guests attending the wedding were from Columbus, Chillicothe, Athens, Beverly, Mansfield, Gallipolis, Waterford, Akron, Dayton, Cincinnati, Lancaster and East Orange, N. J.

Ringgold EUB Ladies Aid Holds Session

Mrs. Charles E. Compton, Half Ave., was hostess when the Ringgold EUB Ladies Aid met recently. There were 10 members and three visitors present.

Mrs. Compton led the group in singing several hymns. Mrs. John Barr was pianist. For devotions Mrs. Wallace Peters presented Scripture and read a poem, entitled, "Not Growing Old." Mrs. Melvin Barr closed with a prayer.

During the business meeting Mrs. Earl Peters reported and the group was reminded to bring to the next meeting a special gift a \$1 donation, that they earned themselves. It was also noted that the women of Ringgold Church will serve a sale Sept. 19.

Get well cards were sent to Mrs. Ralph Dresbach and Mrs. Maude Ferguson.

Mrs. Louis Koch presented two readings and Mrs. John Barr played a piano solo. Mrs. Earl Peters closed with prayer.

Refreshments were served. The next meeting will be held in the home of Mrs. Melvin Barr, Route 1, Ashville.

Mrs. Johnson Presides at Circle Meeting

Mrs. Robert Johnson, 585 Woodlawn, was hostess when Circle No. 6 of the WSCS of the First Methodist Church met recently. Mrs. Paul Johnson assisted.

The meeting was opened by Mrs. Robert Johnson. Mrs. E. H. Marshall reported on the April meeting.

Members discussed means of obtaining the quota for the coming year. It was agreed that vanilla extract would be sold by each member again this year as one of the projects. Any one desiring vanilla may contact Mrs. Frank Hoffman, 997 Lynwood Ave., or call GR 4-3889 and orders will be accepted.

Mrs. Wendell Turner, program chairman, used as her theme, "New Age Met With New Purpose."

There were 11 members present.

Personals

Miss Janet Bower, Route 3, has returned to Ohio University, Athens where she will be a junior majoring in education. She will reside in Voigt Hall on campus.

Newcomers Plan Special Meeting

A get acquainted meeting will be held by Newcomers Club 8 p. m. Wednesday in St. Joseph's Church, 134 W. Mound St. All members and newcomers to the community are invited to attend. Refreshments will be served.

Dilute condensed black bean soup with bouillon and heat; stir in a little medium sherry just before serving. Garnish with swirls of lemon peel and sliced hard-cooked egg.

Dear Abby: By Abigail Van Buren

Doggondest Trouble

DEAR ABBY: I am 12 years old and have had eight dogs in my lifetime, one at a time. The trouble is that something always happens to them when they are puppies. They either run away, get hit by a car, bite somebody and we have to get rid of them, or they get sick and die. I deeply love dogs, Abby, and you once said that you thought every boy should have one, but my father says I can't have another one. How can I convince him to let me have another dog?

UNLUCKY WITH DOGS
DEAR UNLUCKY: The eight dogs you've had were also unlucky. However, there's more to owning a dog, training it and protecting it than just "luck." I agree with your father. Before you try to convince him to get another dog, get some instructions on the care and training of dogs from your

local S.P.C.A. or a veterinarian.

DEAR ABBY: When we were married 30 years ago, my husband told me of a blot on his past. He said he feared someone else might tell me if he didn't. He made me promise never to repeat it. Several years ago, while visiting his relatives, I got so sick of hearing them praise him to the skies that I revealed what he had told me in order to shock them. Naturally, my husband found out about it. Since that time, he has treated me like a housekeeper and nothing more. He told me he never could love, respect or trust me again. He asked for a legal separation. No divorce. I refused. I dread the thought of spending my few remaining years alone. (We are both over 60, retired, and have no children.) He wants to give me half of everything he has and then to get out of my sight. Should I give it to him? Please answer in the paper as I do not want a reply coming here. Thank you.

DILEMMA
DEAR DILEMMA: Give him the legal separation.

DEAR ABBY: The letter signed "Good Daughter," whose aging mother drove her crazy, could have been written by me. My mother had a stroke and became cantankerous and demanding in her old age. She would call me sometimes twenty times a day to tell me the same thing. I would become annoyed and even impatient with her. I realize now that her memory was poor, and she had no conception of time, poor darling. Mother passed away last July, and now I would welcome just one phone call from her. I have a lovely family but, Abby—no one on earth can take the place of a mother. Please tell all those "good daughters," who complain because their aging mothers take up so much of their time, that before they know it they will have plenty of lonely hours to themselves, as nothing is forever.

MISSING MAMA
CONFIDENTIAL TO MICKY IN MANHATTAN: Write that letter. But don't mail it.

Floral Program Presented by Mrs. Wagner

Mrs. Keith Wagner of Walnut Street Greenhouse presented program on floral arrangements to the Kappa Alpha Chapter of Beta Sigma Phi Sorority when members met in the home of Mrs. Albert Lovett, 379 Northridge Road.

Her presentation included the artistic use of cut flowers and their care along with suitable holders. A door prize of an attractive fall arrangement, donated by the speaker, was won by Mrs. Howard Snook.

A business meeting was conducted by Jane Badertscher, president. A card was received from Jack Ross congratulating the group on being a three star chapter. An insurance program recommended by the International office was adopted by the Chapter. It was announced that the pledge party would be held Oct. 6.

The president appointed the following committees for the coming year: Ways and Means—Audrey Bell; Membership—Ann Lovett and Peggy Kern; Program—Susan Hauenstein and Jane Badertscher; Publicity and Historian—Rose Snook; Social—Jackie Joliffe Shirley Delhart and Susan Hauenstein; Service—Marge Seacock and Lois Brown.

A cultural program on beauty was presented by Audrey Bell. Refreshments were served by the hostess.

Guild No. 19 Meet Scheduled Tomorrow

Members of Berger Hospital Guild No. 19 will meet 8 p. m. tomorrow in the home of Mrs. Ned Young, 316 E. Union St.

Calendar

MONDAY

Stauffer, Lovett Wedding Vows Exchanged Sept. 6

MRS. DAVID L. LOVETT

Miss Janet L. Stauffer, daughter of Mrs. Charles D. Picklesimer, Williamsport, and the late Mr. Donald Stauffer, became the bride of Mr. David L. Lovett, son of Mr. and Mrs. L. L. Lovett, Athens, 2:30 p. m. Sept. 6 in the Williamsport Methodist Church.

The Rev. William Powers performed the double ring ceremony. White gladioli and yellow chrysanthemums decorated the altar.

Mrs. John Edwin Ater, Columbus, and Mr. Herman Hinton, Laurelville, presented a program of appropriate nuptial selections.

Given in marriage by her step-father, Mr. Charles Picklesimer, the bride wore a sheath style gown of white silk peau taffeta enhanced with pearl and crystal beaded Alencon lace applique designed with an oval neckline, long sleeves extending to points over the hands and a detachable train. A pearl crown held her elbow length veil and she carried a Bible topped with an arrangement of white carnations. Her only jewelry was a diamond heart shaped necklace.

Mrs. Don R. Steinhauer, Columbus, was matron of honor. Bridesmaids were Mrs. Gary Lovett, Miss Lily Bennett of Columbus and Miss Donna Stauffer, sister of the bride. The attendants wore gowns of peau satin in shades of jade and pastel green each fashioned with a scoop neckline. A line skirt and back panel drape. Matching pearl trimmed open crown pill-box hats held their pouf veils and each carried a colonial bouquet of white carnations interspersed with yellow ribbon. Miss

Bunning Near Rare Pitching Double Mark

By THE ASSOCIATED PRESS
Jim Bunning, Philadelphia's ace right-hander, is three steps away from a rare pitching double that hasn't been accomplished in 40 years.

Bunning, who earlier this season pitched a perfect game, posted his 17th victory Sunday in the National League leaders' 4-1, 10-inning triumph over San Francisco and took another giant stride toward becoming a 20-game winner in each league.

Only nine pitchers in major league history ever have posted 20 victories in both the National and American leagues, among them Cy Young, Jack Chesbro and Joe McGinnity. Bunning, however, could become the first since Carl Mays in 1924.

Bunning, who won 20 games with Detroit in 1957, likely will make four or five more starts in the Phillies' final 19 games. He checked the Giants on seven hits, bringing his record to 17-4 — best in the majors on a percentage basis.

Bunning's pitching and a three-run 10th built on Tony Taylor's double, a single by Johnny Callison and Richie Allen's homer kept the Phillies' bulge at six games over the second-place St. Louis Cardinals, who put together a rare feat of their own.

Walloping the Chicago Cubs 15-2, the Cardinals became only the second team in modern major league history to score in every one of nine innings. The New York Giants did it against Philadelphia in 1923.

Elsewhere, Cincinnati remained seven games back by bombing Warren Spahn and Milwaukee 9-2. Don Drysdale won his 18th game as the Los Angeles Dodgers edged the New York Mets 5-4 and Pittsburgh blanked Houston 3-0.

The American League leading Baltimore Orioles were beaten by Kansas City and the New York Yankees downed Minnesota 5-2. Cleveland nipped the Chicago White Sox 5-4. Washington defeated Detroit 5-1 and Boston whipped the Los Angeles Angels 4-3.

Royals Open Camp; Lucas Is Holdout

OXFORD, Ohio (AP) — The Cincinnati Royals open their training camp today with former Ohio State All-American Jerry Lucas still unsigned because of a pay dispute.

Lucas won rookie-of-the-year honors with the National Basketball Association team in 1963-64 and wants more than the \$35,000 he reportedly received. His fellow rookie, Tom Thacker, a former University of Cincinnati star, was also unsigned but super-star Oscar Robertson came to terms Saturday. Robertson got a raise from the reported \$60,000 salary he was paid in his fourth season.

Coach Jack McMahon also took along five rookies for drills

Lema Wins \$50,000 in Golf Classic

AKRON, Ohio (AP) — Champagne Tony Lema sipped his favorite drink, stuffed a \$50,000 check in his pocket — thankful for the breaks which helped him capture the World Series of Golf Sunday.

The British Open champion struck a tree on one shot only to have the ball carom 100 yards farther down the middle of the fairway, and used a blacktop walk as a guide to an important par on No. 9. He boosted his lead over his nearest rival, U.S. Open champion Ken Venturi.

Going into the final round, Lema trailed Venturi by one stroke. Masters champion Arnold Palmer and PGA winner Bobby Nichols were never in the running as Lema fired a 34-34 — 68 for a 138 total and Venturi blew to a 38-36—74 and 143.

Nichols had a 36-34—70 Sunday for a 147 and Palmer, the pre-tournament favorite, had a pair of 74s to finish last with 148.

Venturi's share of the \$75,000 purse was \$15,000 while Nichols and Palmer pocketed \$5,000 each from a swag which does not count in official earnings.

Frankfort Is Invited To Join SV Conference

The Scioto Valley Conference has announced an invitation will be extended to Frankfort to join the league.

Members of the SVC are Logan Elm and Westfall in Pickaway County, Union and Paint Valley in Ross County, Laurelville in Hocking County and Piketon in Pike County.

A report the Mid State League, of which Frankfort is a member, may be dissolved led to the action by the SVC last week.

Member schools agreed to withhold scheduling football games until an answer is received from Frankfort.

Laurelville Principal Glen Christy was named new secretary, replacing Leroy Silvani of Union who resigned to accept a basketball job at Perkins High in Sandusky.

The football assembly honoring the all-star team will be held at Piketon, 1:30 p. m. Nov. 13. The coaches will pick the all-star team Nov. 7.

The first man to bowl a 300 game in the American Bowling Congress in 1913 was William J. Knox of Philadelphia.

Bill Tilden won the United States singles tennis championship six years in succession from 1920 through 1925.

on the Miami University campus. They include Bill Chimielewski, the former Dayton University star; Al Thrasher of Wittenberg College; Fred Jones of Youngstown University; Harold Hairston of New York University and George Kirk of Memphis State.

Martin, Dade Are Named 'Top Tigers'

Howard Dade and Jack Martin were named "Tigers of the Week" by the Circleville coaching staff for their play in Friday's game with Grove City.

The staff gave the two Tigers the nod for "best player" honors after a careful study of the game films during the weekend.

Martin paced the lineman with a scores of 83 on both defense and offense, termed "Tiger football" by the staff. Dade played "winning football" to head the backs. Coach Paul Starr noted the backs are graded on carrying out their blocking assignments and fakes as well as their running.

"Our philosophy is that anyone can run with the ball if they get the blocks," Starr explained.

MARTIN led in "Tiger Heads" and tackles also. He recovered a fumble, and was credited with a punt tackle, both of which get a special award from the staff.

He came up with five tackles and five assists while Don Fausnaugh also had five tackles and five assists.

Mick Tomlinson was third in tackles with five and three assists.

Other Tiger heads went to Jeff Ankrom for recovering a fumble, to Chet Hill and Dade for kick-off tackles, to Bob Smith and Chet Iery for pass interceptions.

Starr commented that most of the boys played "winning football", but made a lot of mistakes.

Bat Practice Faces Redlegs

CHICAGO (AP)—The Cincinnati Reds were idle today, but acting manager Dick Sisler said he plans to give the team some batting practice.

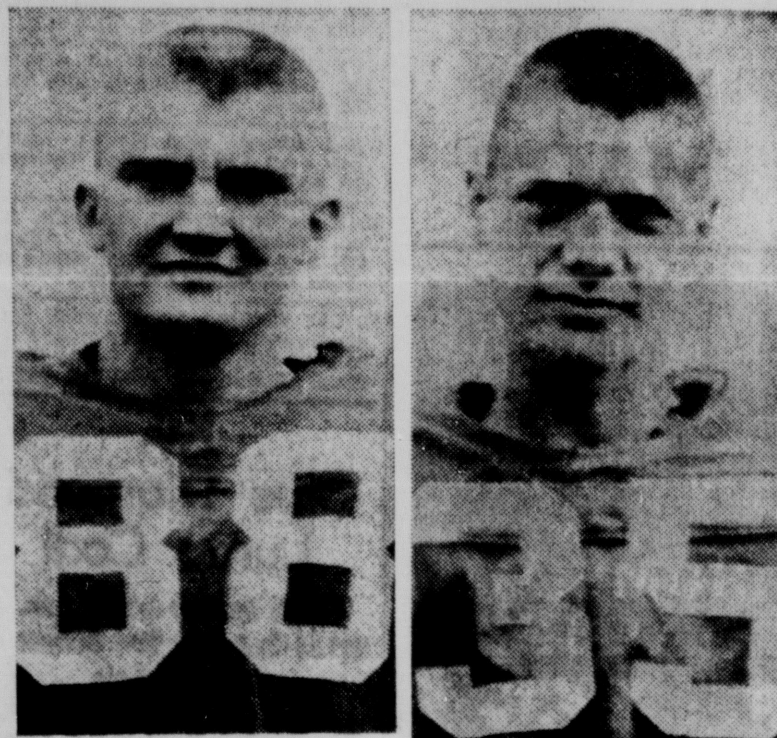

The Reds had no trouble hitting Sunday when they beat Milwaukee, 9-2 on 14 hits, but they weren't doing so well earlier in their series with the Braves. Cincinnati got only one hit Friday and was limited to six hits Saturday.

"Some of the fellows need extra batting practice and I'm going to see that they get it," Sisler said.

One of those the Reds' chief had in mind was Frank Robinson, the Reds' big star who has battled at only a .217 pace since the first of the month.

Boxers stopped fighting with bare knuckles in 1892 when James Corbett, using gloves for the first time, defeated John L. Sullivan in 21 rounds at New Orleans.

DAN GIBBS

Tom Jenkins, son of Mr. and Mrs. John Jenkins, 666 E. Mound St., and Dan Gibbs, son of Mr. and Mrs. Joseph Gibbs, 108 Rosewood Ave., are a pair of sophomores seeking positions on the Circleville High School football team. Gibbs is a quarterback candidate while Jenkins has been working at end during practices.

Fumbles by Redskin '11' Give Victory to Browns

WASHINGTON (AP)—"If only we hadn't fumbled the football," said Washington Redskins coach Bill McPeak after losing to the Cleveland Browns, 27-13, in the National Football League opener for both teams.

The Redskins fumbled four times on the slippery turf Sunday and the Browns recovered each time. Twice the miscues led to Cleveland touchdowns.

An upset appeared in the making when Cleveland spotted the revamped 'Skins 10 points in the second quarter, but the Browns rallied to take a 13-10 halftime lead.

Mike Lucci, Walter Beach, Vince Costello and Ross Fichtner recovered the fumbles for the Browns. For Washington, rookie Paul Krause intercepted two Frank Ryan passes and newly acquired Sam Huff, Jim Brown's old nemesis from the New York Giants, grabbed one intended for rookie Paul Warfield in the end zone.

But the Browns' stubborn defense kept Washington from taking advantage of the breaks. The Redskins had to settle for a field goal after the first Krause steal.

Jim Martin opened the scoring with a 12-yard field goal in the second quarter after a Washington 88-yard drive stalled.

Seconds later came the second interception by Krause and his 36-yard runback. Two plays later, Charley Taylor, rookie halfback, rambed 17 yards for

College Grid Season Opens With Upset

By THE ASSOCIATED PRESS

College football had its first upset almost before the 1964 season began — the UCLA victory over Pitt, 17-12, last Saturday. You can expect more of the same next weekend when almost everybody gets into the act. That is if anything can be called an upset at this stage.

There's a note of uncertainty in the preparations almost everywhere in this year of returning platoons and even the big teams that have been awarded the top places in the pre-season ratings aren't exempt.

Coaches who recruited players a couple of years ago with the idea they'd have to play both offense and defense now are trying to get set with two of three line-ups to operate effectively under 1964 rules. Anything could happen.

The sports writers and broadcasters composing The Associated Press football panel voted the top places to Mississippi and Oklahoma in the annual pre-season poll. It was a close vote for first with Illinois, Texas, Ohio State, Alabama, Washington, Auburn, Syracuse and Navy trailing along to complete the top ten.

Eight of these teams swing into action Saturday and it would hardly be a stunning surprise if half of them were beaten. Illinois and Ohio State are safe because they don't play until a week later.

Indians Move Into 6th Place

CLEVELAND (AP) — The Cleveland Indians won their second straight game from Chicago, knocked the White Sox into third place, and moved into sixth themselves, overtaking the Minnesota Twins.

Luis Tiant got the Tribe back up to the .500 level Sunday with an eight-hitter as Cleveland won, 5-4, the deciding run scoring on Tiant's single in the sixth inning.

The victory tied Tiant with Gary Bell and Sam McDowell as the Tribe's second winningest pitcher. He has won eight and lost only twice since joining Cleveland just seven weeks ago.

Dick Howser led the Indians' 11-hit assault with three singles, one a bases-loaded shot good for two runs.

Bunning Near Rare Pitching Double Mark

By THE ASSOCIATED PRESS
Jim Bunning, Philadelphia's ace right-hander, is three steps away from a rare pitching double that hasn't been accomplished in 40 years.

Bunning, who earlier this season pitched a perfect game, posted his 17th victory Sunday in the National League leaders' 4-1, 10-inning triumph over San Francisco and took another giant stride toward becoming a 20-game winner in each league.

Only nine pitchers in major league history ever have posted 20 victories in both the National and American leagues, among them Cy Young, Jack Chesbro and Joe McGinnity. Bunning, however, could become the first since Carl Mays in 1924.

Bunning, who won 20 games with Detroit in 1957, likely will make four or five more starts in the Phillies' final 19 games. He checked the Giants on seven hits, bringing his record to 17-4 — best in the majors on a percentage basis.

Bunning's pitching and a three-run 10th built on Tony Taylor's double, a single by Johnny Callison and Richie Allen's homer kept the Phillies' bulge at six games over the second-place St. Louis Cardinals, who put together a rare feat of their own.

Walloping the Chicago Cubs 15-2, the Cardinals became only the second team in modern major league history to score in every one of nine innings. The New York Giants did it against Philadelphia in 1923.

Elsewhere, Cincinnati remained seven games back by bombing Warren Spahn and Milwaukee 9-2. Don Drysdale won his 18th game as the Los Angeles Dodgers edged the New York Mets 5-4 and Pittsburgh blanked Houston 3-0.

The American League leading Baltimore Orioles were beaten by Kansas City and the New York Yankees downed Minnesota 5-2. Cleveland nipped the Chicago White Sox 5-4. Washington defeated Detroit 5-1 and Boston whipped the Los Angeles Angels 4-3.

Royals Open Camp; Lucas Is Holdout

OXFORD, Ohio (AP) — The Cincinnati Royals open their training camp today with former Ohio State All-American Jerry Lucas still unsigned because of a pay dispute.

Lucas won rookie-of-the-year honors with the National Basketball Association team in 1963-64 and wants more than the \$35,000 he reportedly received.

His fellow rookie, Tom Thacker, a former University of Cincinnati star, was also unsigned but super-star Oscar Robertson came to terms Saturday. Robertson got a raise from the reported \$60,000 salary he was paid in his fourth season.

Coach Jack McMahon also took along five rookies for drills

Lema Wins \$50,000 in Golf Classic

AKRON, Ohio (AP) — Champagne Tony Lema sipped his favorite drink, stuffed a \$50,000 check in his pocket — thankful for the breaks which helped him capture the World Series of Golf Sunday.

The British Open champion struck a tree on one shot only to have the ball carom 100 yards farther down the middle of the fairway, and used a blacktop walk as a guide to an important par on No. 9. He boosted his lead over his nearest rival, U.S. Open champion Ken Venturi.

Going into the final round, Lema trailed Venturi by one stroke. Masters champion Arnold Palmer and PGA winner Bobby Nichols were never in the running as Lema fired a 34-34 — 68 for a 138 total and Venturi blew to a 38-36—74 and 143.

Nichols had a 36-34—70 Sunday for a 147 and Palmer, the pre-tournament favorite, had a pair of 74s to finish last with 148.

Venturi's share of the \$75,000 purse was \$15,000 while Nichols and Palmer pocketed \$5,000 each from a swag which does not count in official earnings.

Frankfort Is Invited To Join SV Conference

The Scioto Valley Conference has announced an invitation will be extended to Frankfort to join the league.

Members of the SVC are Logan Elm and Westfall in Pickaway County, Unioto and Paint Valley in Ross County, Laurelville in Hocking County and Piketon in Pike County.

A report the Mid State League, of which Frankfort is a member, may be dissolved led to the action by the SVC last week.

Member schools agreed to withhold scheduling football games until an answer is received from Frankfort.

Laurelville Principal Glen Christy was named new secretary, replacing Leroy Silvani of Unioto who resigned to accept a basketball job at Perkins High in Sandusky.

The football assembly honoring the all-star team will be held at Piketon, 1:30 p. m. Nov. 13. The coaches will pick the all-star team Nov. 7.

The first man to bowl a 300 game in the American Bowling Congress in 1913 was William J. Knox of Philadelphia.

Bill Tilden won the United States singles tennis championship six years in succession from 1920 through 1925.

on the Miami University campus. They include Bill Chimielewski, the former Dayton University star; Al Thrasher of Wittenberg College; Fred Jones of Youngstown University; Harold Hairston of New York University and George Kirk of Memphis State.

Martin, Dade Are Named 'Top Tigers'

Howard Dade and Jack Martin were named "Tigers of the Week" by the Circleville coaching staff for their play in Friday's game with Grove City.

The staff gave the two Tigers the nod for "best player" honors after a careful study of the game films during the weekend.

Martin paced the lineman with a scores of 83 on both defense and offense, termed "Tiger football" by the staff. Dade played "winning football" to head the backs. Coach Paul Starr noted the backs are graded on carrying out their blocking assignments and fakes as well as their running.

"Our philosophy is that anyone can run with the ball if they get the blocks," Starr explained.

MARTIN led in "Tiger Heads" and tackles also. He recovered a fumble and was credited with a punt tackle, both of which get a special award from the staff.

He came up with five tackles and five assists while Don Fausnaugh also had five tackles and five assists.

Mick Tomlinson was third in tackles with five and three assists.

Other Tiger heads went to Jeff Ankrom for recovering a fumble, to Chet Hill and Dade for kick-off tackles, to Bob Smith and Chet Iery for pass interceptions.

Starr commented that most of the boys played "winning football", but made a lot of mistakes.

Bat Practice Faces Redlegs

CHICAGO (AP)—The Cincinnati Reds were idle today, but acting manager Dick Sisler said he plans to give the team some batting practice.

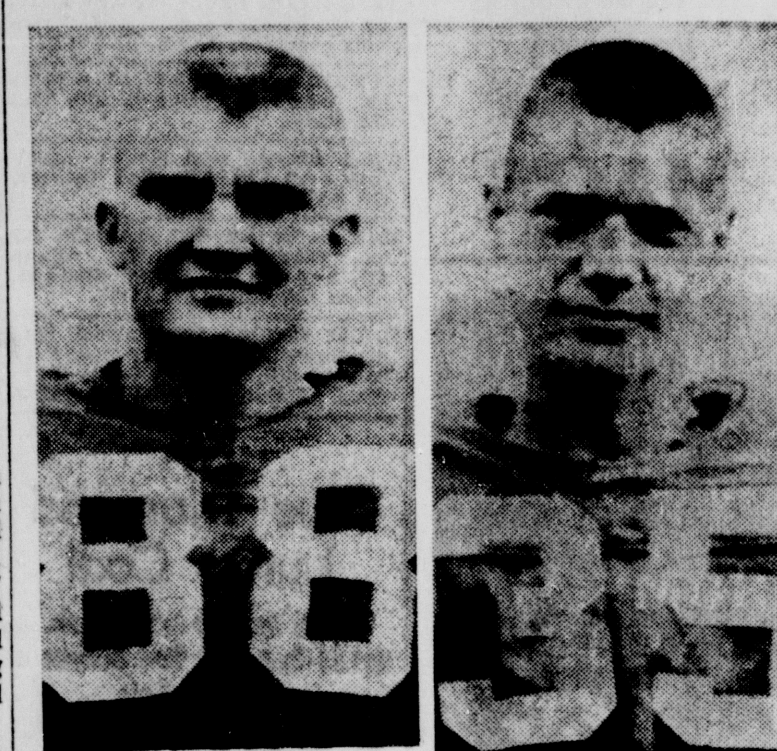

The Reds had no trouble hitting Sunday when they beat Milwaukee, 9-2 on 14 hits, but they weren't doing so well earlier in their series with the Braves. Cincinnati got only one hit Friday and was limited to six hits Saturday.

"Some of the fellows need extra batting practice and I'm going to see that they get it," Sisler said.

One of those the Reds' chief had in mind was Frank Robinson, the Reds' big star who has batted at only a .217 pace since the first of the month.

Boxers stopped fighting with bare knuckles in 1892 when James Corbett, using gloves for the first time, defeated John L. Sullivan in 21 rounds at New Orleans.

pair work.

32. Public Sale

CONSIGNMENT HORSE
and PONY AUCTION
Our next big Semi-Annual Horse and Pony sale will be at
Pickaway County Fairgrounds at Circleville, Ohio.

SPECIAL NOTICE—
Friday evening, Sept. 18, 1964 starting prompt-
ly at SIX O'CLOCK and again on Saturday
evening, Sept. 19, 1964 starting at FIVE
O'CLOCK.

Bring your horses and ponies either day. Free bedding and
free hay.
Last sale we had 117 head consigned. This sale is lining up
good. We hope to see all our old friends and many new ones.
THANKS TO ALL WHO MAKE THIS SALE POSSIBLE.

Sale conducted by — Pickaway County Pony Sales
JIM FORD, Auctioneer

Look Special Notice Look

Our big semi-annual trade day and fish fry will be held on
16th and 17th of October. Same time, same place. This has been
enjoyed by everyone that has taken part for the past 2 years.
So get your horses, ponies, guns, watches, dogs or anything you
wish to sell or trade. Auctioneer will be on duty each afternoon
and our regular horse and tack sale each evening.

'Greatest Sports Thrill'

Governor Rhodes Recalls Olympic High Points

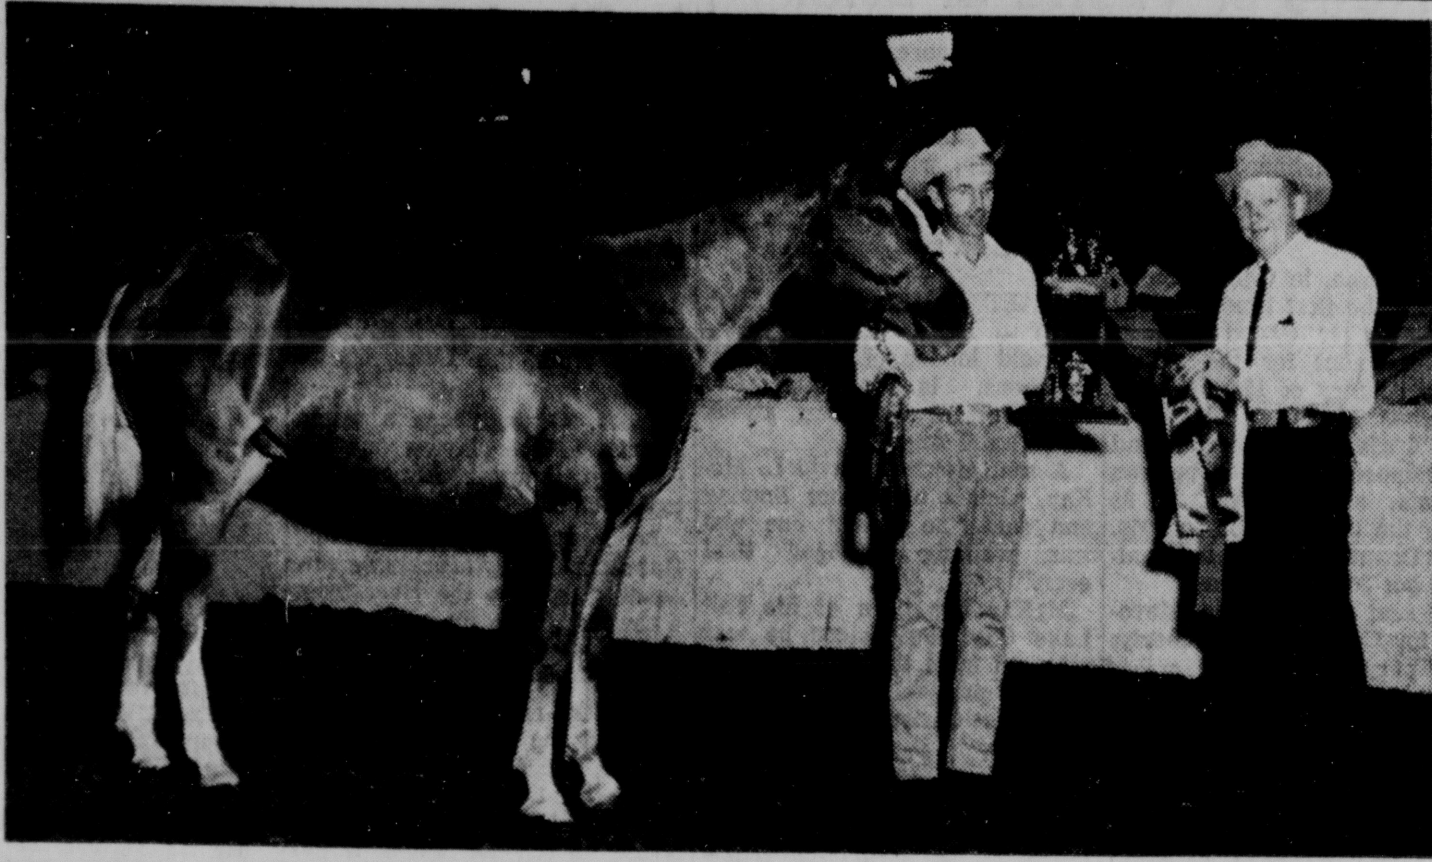

By GOV. JAMES A. RHODES

For The Associated Press
My greatest sports thrill?
There are many that must be
placed in the running.

Lou (the Toe) Groza has pro-
vided many, over the years, by
splitting the uprights with a
seconds-ticking-away kick to ice
the game.

As I gaze back through mem-
ory, however, there are two oc-
casions I can't forget, both in
the field closest to my heart—
amateur athletics.

One is the memory of a val-
iant Negro lad whose flashing
legs carried him to four Olympic
championships in a hostile
time and place simmering with
bigotry. The other is of the
great American stars in the

FUTURITY WINNER — Caltuta Cody, a yearling filly owned by Frank and Alfred Johnson, Williamsport, was the winner of the Ohio Quarter Horse Assn. halter futurity judged at the Ohio State Fair last week. The purse is the richest given to conformation horses in the state. Caltuta Cody is by Bill Cody and is out of Cinlla Panna, also owned by the Johnsons. Another Johnson-bred filly, Scooter Panna, was winner of second place. She is owned by Wade Price. Handing Alfred Johnson the trophy is Don Obermyer of Toledo.

Tricky Packers Clobber Bears

By THE ASSOCIATED PRESS
Green Bay's new spread formation may have confused Paul Hornung, but he got a big kick out of it — and so did the Packers.

The Packers, who wrecked the Chicago Bears 23-12 Sunday in a significant National Football League season opener for both clubs, pulled a rabbit out of the NFL rule book in the process.

With time running out in the first half, Chicago punted to the Packers and Elijah Pitts called for a fair catch at his own 48-yard line. Green Bay coach Vince Lombardi then invoked NFL Rule 3, Section 11, Article 2, which permits a team, after making a fair catch, to attempt a free kick with no interference from the defending team.

The Packers lined up across the field in kickoff formation; quarterback Bart Starr spotted the ball and Hornung, after lining it up carefully, split the uprights.

The Philadelphia Eagles tried the same play in their opener against the New York Giants but Sam Baker missed a 47-yarder as time ran out in the first half.

It was about the only miss for the fired-up Eagles. They buried the defending Eastern Division champs 38-7 behind a blitzing defense that completely throttled Y.A. Tittle's passing attack and a balanced offense directed by newcomer Norman Snead.

Minnesota surprised Baltimore 34-24; Cleveland whipped Washington 27-13; Detroit

topped San Francisco 26-17 and Los Angeles upended Pittsburgh 26-14 in Sunday's other openers.

The St. Louis Cardinals jumped the gun Saturday night with a 16-6 victory over Dallas. The American Football League has opened its fifth season with the emphasis on attendance and the spotlight on Buffalo.

The major development of the four-game program was the record crowd of 44,497 as the New York Jets made an artistic and financially successful debut in Shea Stadium by walloping Denver 30-6.

The turnout was more than twice as large as any other ever to see the Jets in New York, exceeded the crowds at all but two of the National League's seven openers and pulled the AFL to a record attendance of 118,412 for its opening program.

Elsewhere, Buffalo's Bills won an opener for the first time in their history by crushing Kansas City 34-17, the Boston Patriots edged Oakland 17-14 as Billy Cannon played a secondary role for the Raiders and the defending champion San Diego Chargers defeated the Houston Oilers 27-21.

The Jets got the job done early against the Broncos. Bill Baird intercepted a Jack Lee pass on the second play from scrimmage, returned 24 yards to the 26 and three plays later New York had a touchdown on Dick Wood's 16-yard touchdown toss to Gene Heeter.

When Jim Turner kicked the conversion for a 7-0 lead, only 3:04 had elapsed, but the Broncos already had too many points to make up.

Bills' quarterback Jackie Kemp fired 17 and 10 yard scoring passes to Glenn Bass and hit El Dubenion with a six-yarder in the first quarter against the Chiefs while Tom Sestak ran an interception back 15 yards for a score and Pete Gogolak kicked two field goals and four extra points.

The Patriots, defending Eastern champions but losers of all five exhibition games, moved ahead to stay in the second half when Babe Parilli hit Tony Romeo with a 19-yard touchdown pass and shot a 72-yarder to Art Graham. Gino Cappelletti's 48-yard field goal provided the winning points.

Oakland's Clem Daniels, the league rushing champion, was held to minus one-yard in 14 tries by the rugged Patriot defense.

Houston quarterback George

Blanda completed 29 passes — 13 to rookie Sid Blanks, who tied the league record for recep-

tions. Blanks gained 131 yards on the passes and added another 53 yards rushing.

Miami Trackster On Olympic Team

LOS ANGELES (AP)—Miami of Ohio track star Bob Schul has made the U.S. Olympic track and field team, but two runners from Ohio University failed to qualify in the final trials held over the weekend.

Schul, representing the Dayton (Ohio), Athletic Club, earned a spot on the team by tying with Bill Dellinger for first in the final 5,000-meter run Sunday. Their time was 13 minutes, 55.6 seconds.

The Ohio U. runners—Darnell Mitchell of Cleveland and Barry Sugden of Akron—failed to place in the top three positions in the 800 meter run.

The top three finishers of each event were selected for the Olympic team. Sugden finished fifth and Mitchell sixth.

Stocks Chalk Major Gains

Post-Labor Day Period Is Bright

NEW YORK (AP)—The stock market has left no doubt as to where it stands as to the sometimes risky post-Labor Day period gets under way. It made its largest weekly gain of the year.

A big stimulus to stock prices was Chrysler's eleventh-hour labor settlement with United Auto Workers. Another factor was the election of a moderate candidate for president in Chile which dispelled fears that American copper companies would face expropriation there if the left-wing candidate were elected.

Another factor in the vigorous trading and generally optimistic attitude was the return of many vacationing members of the financial community.

Strength in motors, steels and other industrials pushed the closely-watched Dow Jones industrial average to a record high on every one of the four trading days. The New York Stock Exchange was closed Monday for Labor Day.

The Dow industrials last week rose 18.82 to 867.13. Some brokers were talking of the average reaching 900 by year's end.

The Associated Press average of 60 stocks advanced 5.6 to 323.8, a historic high which topped the previous record of 322.0 made July 17.

This was the biggest gain since the week ended Nov. 30 when the AP average rose 11.3 in a recovery from the selling which accompanied President Kennedy's assassination.

With three trading days of more than five million shares, the stock market seemed well out of its summer doldrums. Volume for the four-day trading week totaled 20,904,600 shares, not much below the 21,354,220 shares traded in the previous five-day week.

Chrysler, with a gain of 3%, celebrated its settlement with the UAW and prospects of continuing the boom in its business. General Motors made a net gain of a point at 98 3/4. Both stocks touched historic highs, adjusted for stock splits.

Another gain in steel production, strength in car sales, the return of the New York Central and Pennsylvania Railroads to quarterly dividend payments were among the bullish news items this week.

Berger Staff Treats Injuries

Nine persons received emergency aid in Berger Hospital during the weekend from injuries resulting from various sources. All were treated and released.

Margaret Grabans, 45, of 386 Walnut St., suffered burns to her right hand when a stove exploded at her home.

Geraldine Fetherolf, 47, Adelphi, lacerated a finger of her right hand while cutting a chicken.

Kevin Walker, 17 months, son of Mr. and Mrs. Harry Walker, 49 Avon Drive struck his head on a coffee table resulting in a laceration above his right eye.

Roderick Sines, 14, son of Mr. and Mrs. Leo Sines, 135 Park St., injured his right shoulder while playing football.

Brian Edgington, 5, son of Mr. and Mrs. Robert Edgington, 315 E. Franklin St., suffered a laceration over his right eyebrow after being struck by a baseball.

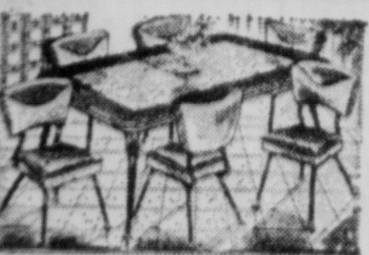

Florence Baker, 67, 295 Lewis Road, fell at home and injured her left ankle.

Ann Heffelfinger, 10, daughter of Mr. and Mrs. Carl Heffelfinger, Route 3, while playing, was struck by a tree limb which caused a laceration to her left eyebrow.

Carol Cupp, 40, 235 S. Scioto St., suffered burns to her face and arms when a pressure cooker exploded.

Theresa Cockerham, 7, daughter of Mr. and Mrs. George Cockerham, 237 Pearl St., punctured her right ankle on a pitchfork.

ENGAGED AT 18 AND 63—Bandleader Xavier Cugat, 63, hugs fiancée "Charo" Baeza, 18, in New York, where he said he had been thinking about marrying her but didn't make up his mind till he read in a newspaper of the engagement of his former wife, Abbe Lane. "Charo" is from Spain.

U.S. Officials Relieved As Saigon Coup Collapses

By JOHN M. HIGHTOWER

WASHINGTON (AP) — U.S. officials welcomed with deep relief today the collapse of the uprising against Premier Nguyen Khanh in South Viet Nam.

But no one here could say whether the outcome of the 24-hour rebellion, engineered by a group of generals, would bolster or further weaken Khanh's shaky hold on leadership in his embattled and politically chaotic country.

Powerful and insistent U.S. support for the premier evidently played a key role in keeping him in office. U.S. officials in Saigon are understood to have made the American position clear to South Viet Nam's contending leaders well before its public announcement in Washington.

The attempted coup came so suddenly that it caught American policy makers, including Ambassador Maxwell D. Taylor, by surprise. Startled officials hastened to their departments Sunday morning to find out what was happening.

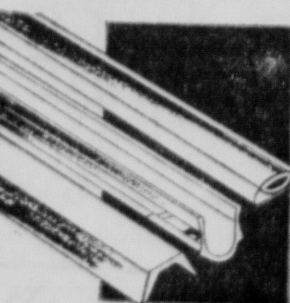

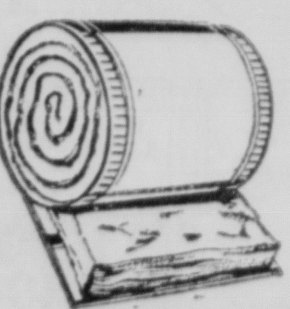

Nothing like this had been foreshadowed during the four-day review of the Vietnamese situation which Taylor held with President Johnson, Secretary of State Dean Rusk, Defense Secretary Robert S. McNamara and other authorities from Monday through last Thursday. Johnson, Rusk, McNamara and other officials held an unannounced emergency meeting at the White House Sunday on the newest Saigon crisis. This was followed by a statement expressing the hope that "consultations among the (South Vietnamese) leadership will shortly permit the government to restore the situation in the city to normal."

At that time the troops who had been led into Saigon some hours earlier by Brig. Gen. Lam Van Phat, Khanh's deposed interior minister, appeared to have control of Saigon.

The reference to "the government" in the Jhmsn administration's statement made clear that authorities here did not accept the claim of the rebels to having thrown Khanh out of the premiership. Officials said privately that U.S. support was still behind the premier.

Sunday night in a second statement issued by the State Department, the United States took a firm and flat public position in support of Khanh and his administration.

power was led by army generals blacklisted by the Buddhists, to whom Khanh had made concessions in an effort to unify the nation. The coup collapsed primarily because most of the units involved were unwilling to fight and because 33-year-old Gen. Ky staunchly refused to surrender the Saigon airport to the rebels.

The rebels moved into Saigon early Sunday led by Brig. Gen. Lam Van Phat, a Roman Catholic who was fired as interior minister by Khanh under Buddhist pressure last week. Later, Brig. Gen. Duong Van Due, commander of the Vietnamese army's IV Corps, appeared to take charge of the rebellion.

High point of the uprising came when the rebels seized the joint general staff headquarters. Insurgents aimed guns at the gates and government forces manned rocket launchers on the other side of the compound but did not fire.

Khanh was not in Saigon. He returned to the capital briefly Sunday night to confer with Ky and other officers loyal to him, then went to his headquarters in the coastal town of Cap St. Jacques, 40 miles southeast of Saigon.

The rebels claimed they had the allegiance of all the important generals in the country including Ky. But Ky told a newsman he was not with the coup, although his chief defenses at the time were the fighters of his air force and pods of aircraft rockets which he mounted on stands and aimed down the roads approaching the airport's main gate.

Realizing that the situation was turning against them, the rebels decided to attack. Ky said a battalion of Rangers was given the order to assault the airport. But the Rangers refused.

News of World in Brief

SAN MARINO (AP) — Communist-Socialist strength dwindled still further today in the world's oldest and tiniest republic as the Christian Democrats and the Democratic Socialists won another solid election victory.

The election, in which women voted for the first time, was for the 60-member Grand Council, the parliament for the mountaintop country of 15,000 people in northeast Italy.

The Christian Democrats and the Democratic Socialists won 39 seats, as compared to 36 during the last election in 1959. The Communist-Socialist alliance got 20, losing four.

One seat went to the Movement for Constitutional Liberty, a new party.

MOSCOW (AP) — The Kremlin has accused Red China of making huge profits from growing and smuggling dope.

Pravda, the Soviet Communist party newspaper, said the Chinese government is earning \$500 million annually from narcotics.

It claimed Red China used the profits for "anti-Soviet propaganda or to subsidize the puppets of the Peking splitters."

Pravda quoted Tsusai Sugawara, chairman of Japan's National Committee for the Struggle Against Drug Addiction, as saying China is the world's largest producer of opium poppies and that most of the drug exports are "shipped to Southeast Asia and large consignments also reach the United States."

SEOUL, South Korea (AP) — Flash floods and landslides in central regions of South Korea have killed 190 persons and another 231 are missing.

Police said 9,152 homes have been wrecked or flooded, leaving 36,665 homeless. Rice paddies, highways, bridges and railroads are heavily damaged.

TAIPEI, Formosa (AP) — The China News, an independent, English-language newspaper published in Taipei, said today that Chinese Nationalist intelligence sources had confirmed press reports from Hong Kong that Chou En-lai, 66, premier of Communist China, is ill.

The news quoted the sources as saying Chou is suffering from low blood pressure, and said he has been ailing since his extensive tour of Africa this year.

OMAHA, Neb. (AP) — Evangelist Billy Graham claims conditions today are similar to those which the Bible says will precede the end of the world.

"Jesus said that before the end, race will be fighting race, evil will intensify and there will be immorality," Graham said Sunday in the final sermon of a 10-day Omaha "crusade."

He said more and more nations are gaining the capacity for nuclear warfare, and added: "Some madman sometime, somewhere, will pull that trigger unless God intervenes. We may not have much longer. We don't know."

SALT LAKE CITY, Utah (AP) — David O. McKay, 91-year-old leader of the world's Mormons, is continuing to recover from the heart attack he suffered Aug. 19.

A son, attorney David L. McKay, visited his father Sunday and said "he looked fine and was walking stronger than ever."

McKay has been at his Salt Lake City home since he was released from the hospital Sept. 4. He is president of the Church of Jesus Christ of Latter-day Saints.

TOKYO (AP) — Prime Minister Hayato Ikeda was reported today to be gradually recovering from a chronic throat ailment.

Ikeda has been in the National Cancer Center hospital since last Wednesday for treatment of what doctors called a "non-cancerous laryngitis."

TODAY In History

By THE ASSOCIATED PRESS

Today is Monday, Sept. 14, the 258th day of 1964. There are 108 days left in the year.

Today's highlight in history:

On this date in 1901, President William McKinley died from wounds he received from an anarchist's revolver on Sept. 6. Theodore Roosevelt became the 26th president of the United States.

On this date:

In 1778, Benjamin Franklin was sent to France as American minister plenipotentiary.

In 1940, Congress passed the Selective Service and Training Act.

In 1943, Gen. Douglas MacArthur announced that American forces had captured the air-naval base of Salamaua, New Guinea.

Ten years ago—Five Chinese anti-Communists, former prisoners of war of the United Nations in North Korea, arrived in New York on a three-month world tour.

Five years ago — Princess Beatrix of the Netherlands was a luncheon guest of President and Mrs. Dwight D. Eisenhower at the White House.

One year ago—Quintuplets — four girls and a boy—were born to Mr. and Mrs. Andrew Fischer in Aberdeen, S.D.

Suspect In Slaying Is Suicide

CINCINNATI (AP) — The search for the man who beat Mrs. Marietta Jelks, 39, to death with a hammer may well have ended Sunday when Charles Wesley Jones' body was pulled from the Little Miami River.

Jones, 47, had been a prime suspect in the slaying and police said he apparently committed suicide.

Leonard Osborne, 58, told Hamilton County officers he saw Jones jump into the river from a rowboat, push the craft away, and disappear under water.

Jones' car was found on the riverbank and police said it matched the description of the car in which Mrs. Jelks was driven to the spot where she was killed Friday night. The police search for Jones began Saturday.

Four small boys playing in tall weeds near a railroad track witnessed the slaying. They told police a man and woman drove to the spot and quarreled. The woman yelled "don't, Charles" and ran from the car, but the man caught up to her and beat her on the head with a hammer, the boys said.

Mrs. Jelks was a doctor's receptionist and practical nurse, and the mother of six children. Jones and her husband, John Jelks, were both post office employees.

Stocks Chalk Major Gains

Post-Labor Day Period Is Bright

NEW YORK (AP)—The stock market has left no doubt as to where it stands as to the sometimes risky post-Labor Day period gets under way. It made its largest weekly gain of the year.

A big stimulus to stock prices was Chrysler's eleventh-hour labor settlement with United Auto Workers. Another factor was the election of a moderate candidate for president in Chile which dispelled fears that American copper companies would face expropriation there if the left-wing candidate were elected.

Another factor in the vigorous trading and generally optimistic attitude was the return of many vacationing members of the financial community.

Strength in motors, steels and other industrials pushed the closely-watched Dow Jones industrial average to a record high on every one of the four trading days. The New York Stock Exchange was closed Monday for Labor Day.

The Dow industrials last week rose 18.82 to 867.13. Some brokers were talking of the average reaching 900 by year's end.

The Associated Press average of 60 stocks advanced 5.6 to 323.8, a historic high which topped the previous record of 322.0 made July 17.

This was the biggest gain since the week ended Nov. 30 when the AP average rose 11.3 in a recovery from the selling which accompanied President Kennedy's assassination.

With three trading days of more than five million shares, the stock market seemed well out of its summer doldrums. Volume for the four-day trading week totaled 20,904,600 shares, not much below the 21,354,220 shares traded in the previous five-day week.

Chrysler, with a gain of 3%, celebrated its settlement with the UAW and prospects of continuing the boom in its business. General Motors made a net gain of a point at 98 3/4. Both stocks touched historic highs, adjusted for stock splits.

Another gain in steel production, strength in car sales, the return of the New York Central and Pennsylvania Railroads to quarterly dividend payments were among the bullish news items this week.

Berger Staff Treats Injuries

Nine persons received emergency aid in Berger Hospital during the weekend from injuries resulting from various sources. All were treated and released.

Margaret Grabans, 45, of 386 Wanut St., suffered burns to her right hand when a stove exploded at her home.

Geraldine Fetherolf, 47, Adelphi, lacerated a finger of her right hand while cutting a chicken.

Kevin Walker, 17 months, son of Mr. and Mrs. Harry Walker, 49 Avon Drive struck his head on a coffee table resulting in a laceration above his right eye. Roderick Sines, 14, son of Mr. and Mrs. Leo Sines, 135 Park St., injured his right shoulder while playing football.

Brian Edgington, 5, son of Mr. and Mrs. Robert Edgington, 315 E. Franklin St., suffered a laceration over his right eyebrow after being struck by a baseball.

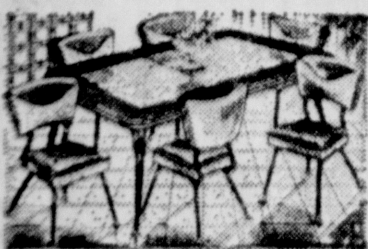

Florence Baker, 67, 295 Lewis Road, fell at home and injured her left ankle.

Ann Heffelfinger, 10, daughter of Mr. and Mrs. Carl Heffelfinger, Route 3, while playing, was struck by a tree limb which caused a laceration to her left eyebrow.

Carol Cupp, 40, 235 S. Scioto St., suffered burns to her face and arms when a pressure cooker exploded.

Theresa Cockerham, 7, daughter of Mr. and Mrs. George Cockerham, 237 Pearl St., punctured her right ankle on a pitchfork.

ENGAGED AT 18 AND 63—Bandleader Xavier Cugat, 63, hugs fiancée "Charo" Baeza, 18, in New York, where he said he had been thinking about marrying her but didn't make up his mind till he read in a newspaper of the engagement of his former wife, Abbe Lane. "Charo" is from Spain.

U.S. Officials Relieved As Saigon Coup Collapses

By JOHN M. HIGHTOWER

WASHINGTON (AP)—U.S. officials welcomed with deep relief today the collapse of the uprising against Premier Nguyen Khanh in South Viet Nam.

But no one here could say whether the outcome of the 24-hour rebellion, engineered by a group of generals, would bolster or further weaken Khanh's shaky hold on leadership in his embattled and politically chaotic country.

Powerful and insistent U.S. support for the premier evidently played a key role in keeping him in office. U.S. officials in Saigon are understood to have made the American position clear to South Viet Nam's contending leaders well before its public announcement in Washington.

The attempted coup came so suddenly that it caught American policy makers, including Ambassador Maxwell D. Taylor, by surprise. Startled officials hastened to their departments Sunday morning to find out what was happening.

Nothing like this had been foreshadowed during the four-day review of the Vietnamese situation which Taylor held with President Johnson, Secretary of State Dean Rusk, Defense Secretary Robert S. McNamara and other authorities from Monday through last Thursday. Johnson, Rusk, McNamara and other officials held an unannounced emergency meeting at the White House Sunday on the newest Saigon crisis. This was followed by a statement expressing the hope that "consultations among the (South Vietnamese) leadership will shortly permit the government to restore the situation in the city to normal."

At that time the troops who had been led into Saigon some hours earlier by Brig. Gen. Lam Van Phat, Khanh's deposed interior minister, appeared to have control of Saigon.

The reference to "the government" in the Johnson administration's statement made clear that authorities here did not accept the claim of the rebels to have thrown Khanh out of the premiership. Officials said privately that U.S. support was still behind the premier.

Sunday night in a second statement issued by the State Department, the United States took a firm and flat public position in support of Khanh and his administration.

This statement also reported that U.S. officials in Saigon had been in touch with "military and civilian leaders" there throughout Sunday and Sunday evening.

The statement was intended obviously to remove any doubt which might have persisted in Saigon and elsewhere about the U.S. commitment to Khanh, and authorities here described him as they had during Taylor's visit last week as still being the one man in South Viet Nam who has a possibility of creating a reasonably broad base of support for rule in the country.

Ohio Solon Asks Delay in Poll Report

WASHINGTON (AP)—Rep. Pliver P. Bolton, R-Ohio, suggested today that local election boards throughout the country hold up early presidential election returns.

The early returns in the presidential race, Bolton said, should be kept from representatives of broadcast networks until the polls are closed on the west coast or at least until individual precinct returns are certified and posted.

Bolton said he approved recent action of the Prince Georges County, Md., Board of Elections in declining the request of a television network for early presidential vote tallies from several key indicator precincts.

"If other election boards throughout the country were voluntarily to follow the lead of this Maryland county," Bolton said, "we will have taken a first step toward a possible solution to the threat posed by early network election declarations."

In Ohio, Bolton said, the state election law makes no provision for representatives of networks or any individuals other than election officials to station themselves in polling places during the actual county process.

"If network personnel were required to wait until precinct returns were certified and posted, computer-based presidential could not be made until 10 p.m. (EST) at the earliest," Bolton said.
